

A G E N D A

**CITY OF POCATELLO
REGULAR CITY COUNCIL
MEETING**

AUGUST 7, 2025 • 6:00 PM

COUNCIL CHAMBERS | 911 NORTH 7TH AVENUE

The meeting will be live-streamed at <https://streaming.pocatello.gov/> and available on Sparklight Cable channel 56

In accordance with the Americans with Disabilities Act, it is the policy of the City of Pocatello to offer its public programs, services, and meetings in a manner that is readily accessible to everyone, including those with disabilities. If you are disabled and require an accommodation, please contact Skyler Beebe with two (2) business days' advance notice at sbeebe@pocatello.gov; [208-234-6248](tel:208-234-6248); or 5815 South 5th Avenue, Pocatello, Idaho. Advance notification within this guideline will enable the City to make reasonable arrangements to ensure accessibility.

Any citizen who wishes to address the Council shall first be recognized by the Mayor, and shall then give their name for the record. If a citizen wishes to read documentation of any sort to the Council, they shall first seek permission from the Mayor. A three (3) minute time limitation is requested for Council presentations.

The purpose of the agenda is to assist the Council and interested citizens in the conduct of this public meeting. **Citizens should examine the agenda for the item of their interest. However, citizens are advised that only Public Hearings allow for public comment during the discussion/consideration process.**

RECESS: In the event the meeting is still in progress at 7:30 p.m., the Mayor may call a

ten-minute recess to allow Council members and participants a brief rest period.

1. ROLL CALL AND PLEDGE OF ALLEGIANCE

2. INVOCATION

The invocation will be offered by Pastor Nathan Abbate, representing Calvary Chapel Pocatello.

3. CONSENT AGENDA

The following business items may be approved by one motion and a vote. If any one member of the Council so desires, any matter listed can be moved to a separate agenda item. **(ACTION ITEM)**

(a) **MATERIAL CLAIMS:** Council may wish to approve the Material Claims for the period of July 16-31, 2025.

(b) **INVESTMENT AND AUDIT COMMITTEE STAFF APPOINTMENT:** Council may wish to confirm the Mayor's appointment of staff member Chantelle Macy, Budget Manager, to serve on the City's Investment and Audit Committee. Chantelle's term will begin August 8, 2025.

(c) **POCATELLO ARTS COUNCIL APPOINTMENT:** Council may wish to confirm the Mayor's appointment of Emma Fox to serve as a member of the Pocatello Arts Council, replacing Cameron Dey who resigned. Emma's term will begin August 8, 2025 and expire August 17, 2027.

(d) **CITY COUNCIL DECISION - AMENDING THE FUTURE LAND USE MAP FOR THE CITY OF POCATELLO RELATED TO NORTHGATE PARKWAY:** Council may wish to adopt its decision to amend the Future Land Use Map for the City of Pocatello, related to Northgate Parkway, re-designating the subject property from Commercial (C) to Mixed Use (MU) and to rezone the subject property from Commercial General (CG) to Residential Commercial Professional (RCP).

Documents:

AGENDA-ITEM-3.PDF

4. PROCLAMATIONS

5. CALENDAR REVIEW

Council may wish to take this opportunity to inform other Council members of upcoming meetings and events that should be called to their attention.

6. PUBLIC HEARING - PROPOSED FISCAL YEAR 2026 FEE CHANGES

This time has been set aside for the Council to hear comments from the public on proposed fee changes for Fiscal Year 2026. **(ACTION ITEM)** (Legislative public hearing)

Documents:

AGENDA-ITEM-6.PDF

7. PUBLIC HEARING - PROPOSED FISCAL YEAR 2026 FORGONE TAX LEVY

This time has been set aside for the Council to hear comments from the public regarding the proposal to levy the forgone amount for Fiscal Year 2026 to be included in the Fiscal Year 2026 Budget, in accordance with Idaho Code §63-802. **(ACTION ITEM)** (Legislative public hearing)

8. PUBLIC HEARING - PROPOSED FISCAL YEAR 2026 BUDGET

This time has been set aside for the Council to hear comments from the public regarding the proposed Fiscal Year 2026 City Budget. **(ACTION ITEM)** (Legislative public hearing)

Documents:

AGENDA-ITEM-8.PDF

9. PUBLIC HEARING - VACATION OF RIGHT OF WAY

This time has been set aside for the Council to hear comments from the public regarding a request by Karchner Homes, (mailing address: 1075 South Utah Avenue, Suite 100, Idaho Falls, ID 84302) to vacate the public's interest of 0.5 acres (more or less) of Saunter Lane extending from Wayfarer Street south through the cul-de-sac of Saunter Lane. Staff recommends approval of the application with conditions. **(ACTION ITEM)** (Quasi-judicial Public Hearing)

Documents:

AGENDA-ITEM-9.PDF

10. PUBLIC HEARING - ANNEXATION AND ZONING MAP DESIGNATION - 12.4 ACRES WEST/NORTHWEST OF TRAIL CREEK ESTATES DIVISION 2

This time has been set aside for the Council to hear comments from the public regarding a request by McCormick Ranch, LLC, represented by Brady Smith (mailing address: 161 Jefferson Avenue, Pocatello, ID 83201) to annex 12.4 acres (more or less) of parent parcel RPR3843028016 into the City of Pocatello corporate boundary, with a proposed zoning designation of Residential Low Density. The property is generally located west/northwest of Champlaine Street. Following a public hearing held July 9, 2025, the Planning and Zoning Commission recommended approval of the request with conditions. **(ACTION ITEM)** (Legislative Public Hearing)

Documents:

AGENDA-ITEM-10.PDF

11. PUBLIC HEARING - CITY-INITIATED TEXT AMENDMENT TO TITLE 17: ZONING REGULATIONS - SENSITIVE LANDS

STANDARDS

This time has been set aside for the Council to hear comments from the public regarding an amendment to the Sensitive Lands Standards in Title 17: Zoning Regulations. **(ACTION ITEM)** (Legislative Public Hearing)

Documents:

AGENDA-ITEM-11.PDF

12. FINAL PLAT APPLICATION - RIDGES AT HIGH TERRACE DIVISION 1

Council may wish to approve a final plat application submitted by Bill Isley, represented by Sunrise Engineering (mailing address: 600 East Oak Street, Pocatello, ID 83201) to subdivide 81.78 acres (more or less) into approximately 40 lots for residential development. The proposed subdivision is zoned Residential Low Density (RL0 and is located north of East Center Street and southeast of Vista Drive. The Planning and Zoning Commission recommended approval of the request following a public hearing held April 9, 2025. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-12.PDF

13. AIRPORT GRANT AGREEMENT AND RESOLUTION - IDAHO TRANSPORTATION DEPARTMENT DIVISION OF AERONAUTICS

Council may wish to approve a Grant Agreement and adopt a Resolution for a grant from Idaho Transportation Department Division of Aeronautics in the amount of \$450,000.00 for airport improvement projects. Funds will be used for construction of a new taxiway, parking lot pavement maintenance, purchase of a new airport rescue firefighting (ARFF) vehicle, and rehabilitation of the main runway and authorize the Mayor's signature on all pertinent documents, subject to Legal Department review. The grant does not require a local match. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-13.PDF

14. AIRPORT BID ACCEPTANCE AND CONSTRUCTION AGREEMENT - C.R. CONSTRUCTION, LLC

Council may wish to accept the recommendation of staff for the following requests regarding this year's Airport Improvement Program (AIP) projects and authorize the Mayor's signature on all pertinent documents, subject to Legal Department review: **(ACTION ITEM)**

- a) Accept the lowest responsive bid from C.R. Construction, LLC in the amount of \$143,790.85 for the pavement rehab of the airport terminal parking lots; and if accepted
- b) Authorize the execution of a construction agreement, notice of award, notice to proceed, and all other pertinent documents, between the City of Pocatello and C.R. Construction in the amount of \$143,790.85.

The project will be funded with federal AIP and State of Idaho grant funds and budgeted airport PFC funds. The awards and agreements are subject to approval by FAA and acceptance of the grant offers.

Documents:

AGENDA-ITEM-14.PDF

15. AIRPORT UTILITY EASEMENT

Council may wish to grant a perpetual public utility easement on and through property at the airport for construction of a taxi lane to allow for hangar development. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-15.PDF

16. AIRPORT LEASE AMENDMENT - RDM ONSITE

Council may wish to approve an amendment to the lease agreement with RDM Onsite, adding co-lessee, Infinite Hydraulics to the lease and authorize the Mayor's signature on all pertinent documents, subject to Legal Department review. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-16.PDF

17. STATE/LOCAL AGREEMENT AND RESOLUTION - MAIN AND ARTHUR PEDESTRIAN CROSSINGS AND FLANDRO DRIVE SAFETY IMPROVEMENT PROJECTS

Council may wish to approve a State/Local Agreement (SLA) and adopt a Resolution for the Main and Arthur Pedestrian Crossings and Flandro Drive Safety Improvements Projects, between the Idaho Transportation Department and the City of Pocatello, and authorize the Mayor's signature on all applicable documents, subject to Legal Department review and authorize the total match payment of \$110,852.00, which is the required overall match for the completion of both projects. Funding has been allocated in Fund 70 to cover the expenses. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-17.PDF

18. LOG SPLITTER DONATION ACCEPTANCE - PARKS AND RECREATION DEPARTMENT

Council may wish to authorize and accept a donation of a new log splitter from Bob Johnson for use at the Nordic Center and authorize the Mayor's signature on all pertinent documents, subject to Legal Department review. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-18.PDF

19. DONATION ACCEPTANCE AND SPONSORSHIP AGREEMENT - CONNECTIONS CREDIT UNION

Council may wish to accept a donation from Connections Credit Union and approve a sponsorship agreement for the purpose of constructing a new clubhouse at Riverside Golf Course and authorize the Mayor's signature on all pertinent documents, subject to Legal Department review. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-19.PDF

20. RESOLUTION - AMENDING THE FUTURE LAND USE MAP COMPONENT OF THE COMPREHENSIVE PLAN 2040

Council may wish to approve a Resolution amending the Future Land Use Map component of the Comprehensive Plan 2040 for the City of Pocatello by designating approximately 82.96 acres of land generally located north of Olympus Drive and east of Northgate Parkway from Commercial (C) to Mixed Use (MU) and to rezone the subject property from Commercial General (CG) to Residential Commercial Professional (RCP). **(ACTION ITEM)**

Documents:

AGENDA-ITEM-20.PDF

21. ORDINANCE

The Council has the following options for reading ordinances. If the Council makes no motion, the ordinance will be read on three (3) different days, two (2) readings of which may be by title only and one (1) reading of which shall be in full and placed on final passage for publication. **(ACTION ITEM)**

EXAMPLE MOTIONS:

Option 1: FOR ONE READING UNDER RULES SUSPENSION: "I move the ordinance, Agenda Item # , be read only by title and placed on final

passage for publication, and that only the ordinance summary sheet be submitted for publication."

Option 2: FOR THREE SEPARATE READINGS: "I move the ordinance, Agenda Item # , be read on three separate days. First and second readings will be by title and in full on the third reading. The ordinance shall then be placed on final passage for publication, and only the ordinance summary sheet be submitted for publication."

Before the ordinance can be read under Option 1, the Council must pass said motion by a vote of one-half plus one (4) of the full Council.

Ordinance ready for reading:

21) An ordinance amending Pocatello Municipal Code Chapter 2.30 "Investment and Audit Committee" to clarify membership and appointment process. **(ACTION ITEM)**

Documents:

AGENDA-ITEM-21.PDF

22. ITEMS FROM THE AUDIENCE

This time has been set aside to hear items from the audience not listed on the agenda. Items which appeared somewhere else on the agenda will not be discussed at this time. The Council is not allowed to take any official action at this meeting on matters brought forward under this agenda item. Items will either be referred to the appropriate staff or scheduled on a subsequent agenda. You must sign in at the start of the meeting in order to be recognized. (Note: Total time allotted for this item is fifteen (15) minutes, with a maximum of three (3) minutes per speaker.)

23. ADJOURN

PUBLIC HEARING PROCEDURE

1. Explanation of hearing procedures by Mayor or staff.
 - Ten (10) minute time limit on applicant presentation.
 - Three (3) minute time limit on public testimony.
 - Names and addresses are required from those presenting/testifying.
 - Questions/comments should be addressed to the Mayor and Council.
 - Council members must make their decision regarding the application on facts already in the record and information presented at the public hearing. Conflicts of interest, site visits and ex-parte contacts by Council members will be acknowledged.
 - Protocol requires that Council and audience be recognized by the Mayor prior to speaking.

2. Mayor opens hearing.

3. Presentation by applicant.

Note: Remember, applicant bears the responsibility for making his/her case. This is also the time for Council members to ask their questions of the applicant.

4. Presentation by staff.

5. Written correspondence submitted for the record.

6. Testimony by those supporting the application.

7. Testimony by those uncommitted on the application.

8. Testimony by opponents to the application.

9. Rebuttal by the applicant.

10. Mayor closes the hearing and initiates motion/deliberations.

Note: The Mayor may choose to require a motion prior to the discussion in order to focus deliberations, or, the Mayor may choose to allow deliberations prior to the motion in order to facilitate wording of the motion.

11. Develop a written and reasoned statement supporting the decision.

**CITY COUNCIL DECISION
FUTURE LAND USE MAP AMENDMENT**

APPLICANT/OWNER: Millennium Development Partners, LLC
P.O. Box 17289
Holladay, UT 84117

Smart Town, LLC
1685 E Haven Brook Circle
Salt Lake City, UT 84121

LOCATION OF REQUEST: Approximately 82.96 acres of land generally located north of Olympus Drive and east of Northgate Parkway, more particularly depicted in the attached Exhibit "A"

NATURE OF REQUEST: Request to amend the Future Land Use Map for the City of Pocatello re-designating the subject property from Commercial (C) to Mixed Use (MU) and to rezone the subject property from Commercial General (CG) to Residential Commercial Professional (RCP)

At a Public Hearing held July 9, 2025, the Planning and Zoning Commission heard testimony and later made Findings of Fact and drew conclusions therefrom based on the standards listed therein. A copy of the Findings of Fact is attached hereto as Exhibit "B" for reference.

**PLANNING AND ZONING COMMISSION'S RECOMMENDATION
TO POCATELLO CITY COUNCIL**

Based upon the conclusions contained in Exhibit B, the Commission recommended approval of the request.

FUTURE LAND USE MAP AMENDMENT CRITERIA

The City Council reviews the facts and circumstances of Applicant’s request for a Future Land Use Map amendment in terms of the standards, pursuant to Pocatello Municipal Code 17.02.120(C) - Comprehensive Plan Amendments, as follows:

1. Is the request to correct errors in the plan?
2. Is the request to recognize substantial changes in the actual conditions of the area?

POCATELLO CITY COUNCIL FINDINGS OF FACT AND CONCLUSIONS

At its regularly-scheduled meeting on July 17, 2025, the City Council held a public hearing and considered the record of this application and the recommendation of the Planning and Zoning Commission. The Applicant, represented by Buck Swaney of Millennial Development Partners, LLC, made a presentation.

After discussion, the City Council adopted the Findings of Fact set out in the Commission's Report, attached hereto as Exhibit B.

POCATELLO CITY COUNCIL DECISION

Based upon the above-named Findings of Fact and Conclusions, the Pocatello City Council hereby approves the Future Land Use Map amendment, as depicted in Exhibit A.

ADOPTED this ___ day of August, 2025.

Approved as to form and content

FINDINGS OF FACT & RECOMMENDATION
CITY OF POCA TELLO
PLANNING & ZONING COMMISSION
 HEARING JULY 9, 2025

APPLICANT: Smart Town, LLC and Millennial Development
REQUEST: Map Amendments
GENERAL LOCATION: East of Olympus Drive & Northgate Parkway
FILE: MA25-0003
STAFF: Becky Babb, Planning Manager

- I. **GENERAL BACKGROUND:** Chris Adams of Creek Hollow & Associates, Inc. representing Smart Town LLC & Millennial Development Partners LLC, has submitted a map amendment application to amend the future land use map re-designating the subject property from Commercial (C) to Mixed Use (MU) and to rezone the subject property from Commercial General (CG) to Residential Commercial Professional (RCP).
- II. **PUBLIC HEARING:** A public hearing was held before the Planning & Zoning Commission on the evening of July 9, 2024. The applicant provided a summary of the proposed zone map amendment. Staff provided a brief presentation and recommendation regarding the application. Comments from the public were provided with one speaking in opposition of the application citing an objection to high density residential, traffic concerns, and the need for higher paying jobs.
- III. **NOTIFICATION:** Notice was published in the Idaho State Journal and a sign was posted on the subject property on June 24, 2025. All property owners within three hundred feet (300') of the external boundaries of the land being considered have been provided notice of the public hearing in order that they may provide comment on the proposed zone map amendment. No written comments were received from the public.
- IV. **CRITERIA FOR REVIEW:** The Planning and Zoning Commission and City Council shall review the facts and circumstances of each proposal in terms of the standards listed in the table below:

Table 1. Zoning Map Amendment Review Criteria Analysis

REVIEW CRITERIA (17.02.170.E):				
Compliant			City Code and Findings	
Yes	No	N/A	Code Section	Analysis
<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	17.02.120.C1 <i>Finding</i>	To correct errors in the plan. The proposed changes to the Future Land Use Map are not a result of errors in the plan, they are in response to forecasted land uses for proposed development.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.120.C2 <i>Finding</i>	To recognize substantial changes in the actual conditions of the area. The proposed changes to the Future Land Use Map are in response to forecasted land uses for proposed development which is considered a change in the conditions of the area since the adoption of the Map.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E1	How the requested zoning at the location in question would be in the community's best interest.

			Finding	The subject land is currently zoned Commercial General (CG). Which allows for general commercial uses and upper-story residential uses and conditionally permits high density multi-family residential. RCP is compatible with existing development patterns in the Northgate area which allows for a variety of commercial and residential uses.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E2	How the list of uses permitted by the zoning ordinance would blend with surrounding land uses.
			Finding	Code Section 17.03.300 states that <i>“The RCP zoning district is intended to accommodate a mix of residential, professional office, and neighborhood commercial uses including business/professional services, convenience retail, personal services, and restaurants, in close proximity to residential areas and major transportation facilities. Residential uses are permitted consistent with the density and requirements of the RH zoning district. Developments in the RCP zoning district may be used to serve as a buffer between residential areas and commercial and/or industrial areas.”</i> The proposed changes will allow for a mix of uses which is consistent with existing development in the Northgate area.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E3	If the subject site is physically suitable for the type and intensity of land uses permitted under the proposed zoning district.
			Finding	This property is currently undeveloped. All proposed zoning will match existing development. The subject property is sloped under 15% and is physically suitable for development. The property falls within the Wildland Urban Interface and must meet development requirements as determined by the Pocatello Fire Department.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E4	If the uses permitted in the proposed zoning district would be adequately served by public facilities and services such as thoroughfares, police and fire protection, drainage, refuse disposal, water, sewer, and schools, to ensure the public health, safety and general welfare.
			Finding	All utilities are readily available along adjacent roadways and existing development. Public services already serving adjacent developments will serve developments on the subject property.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E5	If the uses permitted in the zoning district would be compatible in terms of their scale, mass, coverage, density, and intensity with adjacent land uses.
			Finding	The RCP zoning district allows for the development of a mix of residential uses from single-family to high density multi-family as well as limited commercial development. The majority of the Northgate area is currently zoned RCP which would be consistent with the proposed map amendments.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E6	Whether the proposed zoning designation is consistent with the Future Land Use Map designation.
			Finding	The current Future Land Use Map designation is a combination of Mixed-Use (MU) and Commercial (C). Proposed changes include an amendment to the Future Land Use Map, extending the amount of land designated as MU which allows the RCP zoning district thus minimizing land designated as strictly Commercial, which is consistent with the land uses in the area.

V. PLANNING & ZONING COMMISSION RECOMMENDATION: In consideration of the application, the Planning & Zoning Commission recommends **approval** of the Map Amendment applications from Chris Adams of Creek Hollow & Associates, Inc. representing Smart Town LLC & Millennial Development Partners LLC, to amend the future land use map re-designating the subject property from Commercial (C) to Mixed Use (MU) and to rezone the subject property from Commercial General (CG) to Residential Commercial Professional (RCP) finding the application meets the standards for approval under Chapters 17.02.170 E. Criteria for Review of Pocatello City Code.

NOTICE OF PUBLIC HEARING
CITY OF POCATELLO, IDAHO
BUDGET FOR FISCAL YEAR 2026

The City of Pocatello, Idaho proposes to increase selected annual fee revenue collections beginning on October 1, 2025. The departments and/or programs noted below could: (A) exceed one hundred and five percent (105%) of the respective fee revenue collections from the previous year (a 5% increase), (B) be requesting a new fee(s) not charged the previous year, (C) be clarifying by changing the name of the fee, (D) be moving the fee(s) from the Pocatello Municipal Code into the annually adopted Fee Schedule Resolution, and/or (E) be moving the fee(s) from one (1) exhibit to another for clarity. The proposed fee increases are due to additional cost of programs or an attempt by departments to recover costs through fees charged versus tax increases.

For more detailed information, visit the city website at www.pocatello.gov. The Proposed Fee Changes FY2026 Detailed Listing will be found under the Public Notices section.

All citizens are invited to attend a public hearing for the City Council to hear comments regarding the increased fee requests on August 7, 2025 at 6:00 p.m. in the City Council Chambers in City Hall at 911 North 7th Avenue, Pocatello, Idaho.

In accordance with the Americans with Disabilities Act, it is the policy of the City of Pocatello to offer its public programs, services, and meetings in a manner that is readily accessible to everyone, including those with disabilities. If you are disabled and require an accommodation, please contact Skyler Beebe with two (2) business days' advance notice at sbeebe@pocatello.gov; 208.234.6248; or 5815 South 5th Avenue, Pocatello, Idaho. Advance notification within this guideline will enable the City to make reasonable arrangements to ensure accessibility.

Brian C. Blad, Mayor - City of Pocatello, Idaho

Proposed Fee Changes

FY2026

Detailed Listing

This report contains details on proposed fee changes for FY2026, including those that are 5% or greater. The proposed increases are necessary to cover increased costs in the various programs or to recover costs through fees instead of taxes. A public hearing is scheduled at 6 p.m. on Thursday, August 7, 2025 in the Council Chambers at City Hall, 911 North 7th Avenue, Pocatello, Idaho.

NOTICE OF ALL FEE CHANGES

The City of Pocatello, Idaho proposes to increase selected annual fee revenue collections beginning October 1, 2025, in the departments listed below by amounts that may exceed one hundred and five percent (105%) of the respective fee revenue collections from the previous year (5% increase). The proposed fee increases are due to additional costs of programs or an attempt by departments to recover costs through fee charges versus tax increases.

About fees: Fee revenue either supplements tax revenues or provides the entire financial support for some services. User fees allow program costs to be recovered by those receiving the service. For example, we all pay taxes to support the Fire department and we all benefit from trained firefighters in case of an emergency. However, if an individual person requests a special service, such as an inspection, then a fee is charged only to that person. This method allows the extra cost of the requested service to be paid by the user.

Fees should be periodically adjusted to keep up with inflation. If fees are not adjusted, more of the burden unfairly falls on the general taxpayer. In the case of utilities (Sanitation, Water & Sewer), these business-type activities are 100% fee supported. No tax dollars are involved. Utility fees are reviewed by an outside consultant and designed to recover costs of providing the service.

This public hearing and Council process are for all fee changes in the City for FY2026.

All wording and/or informational changes will be marked by underline and an asterisk (*).

AIRPORT FEES:

No changes to fees, update on badge fees:

Access Badge Fees

CONSTRUCTION TRADE FEES:

CONTRACTOR LICENSE/ REGISTRATION FEES

Class B limited builder’s license:

\$50.00

This license restricts the holder to contracting for limited construction trades work which does not involve construction of a structure itself, including, but not limited to, such types of work as: repair/maintenance/installation of siding, windows, roofing, tile, carpet, cabinets, counters, sprinkler systems, water, and sewer lines, sheetrock, patio covers, porches, decks, certain sunrooms, small sheds, small detached garages, concrete work, paint, plaster work, house moving, *mobile home installs, excavation, and the like.

EXCEPTIONS:

After review of proposed plans, the building official in any calendar year may issue a one (1) time project specific class A-2 license to the holder of a class B license provided that:

1. the construction contract is less than \$10,000.00;
2. *the project is deemed to be lesser in scope than the normal class A-2 license work; and
3. the contractor has demonstrated the ability to perform the work in a competent manner

Plumbing contractor:

Plumbing contractors, journeymen, and apprentices are not required to obtain a city license, but must have a current State of Idaho plumbing contractor license. The State license is required to perform plumbing work covered by the plumbing regulations established by the International Association of Plumbing and Mechanical Officials. No firm or corporation shall perform any work unless at least one (1) member of such firm or corporation is a journeyman plumber. *Property owners performing plumbing work on their own property do not need a contractor’s license.

Gas fitter/HVAC contractor:

Gas fitter/HVAC/mechanical contractors, journeymen, and apprentices are not required to obtain a city license, but must have a current State of Idaho contractor’s license in order to perform any work as defined in Title 15 “Buildings and Construction” of the Pocatello Municipal Code within the city. *Property owners performing plumbing work on their own property do not need a contractor’s license.

BUILDING PERMIT FEES

Building permit fees shall be as set out in Section 107 and Table 1-A of the 1997 edition of the Uniform Building Code. *Permits based on valuation for Commercial and residential construction includes, but is not limited to; new construction, additions, remodels, accessory structures, decks, mobile home installations, retaining walls, commercial re-roofs, and commercial roof overlays.

*The costs used to determine fees shall be figured by adding together all labor charges and all costs of materials and equipment installed.

Residential Plan Review Fee: Plan Review Fee for Residential is 35% of the Building Permit Fee.

Commercial Plan Review Fee: Commercial Plan Review Fee is 65% of the Building Permit Fee.

NOTE: When more than one (1) identical commercial buildings are on the same parcel and are submitted for plan review, only one (1) plan review fee shall be required. In such case, site plans showing all building placements, utility placement, and site improvements must be submitted with the application for the plan review of the first building. *Plans for each building must be submitted with each application.

***New Residential Mechanical Permits**

PROPOSED FEES

Up to 1,500 sq. ft.	\$130.00
1,501 to 2,5000 sq. ft.	\$195.00

POLICE DEPARTMENT FEES:

No proposed changes to Police Department fees for FY2026.

PUBLIC RECORD FEES:

Updated to accommodate new legislation for Idaho Residents and Non-Residents:

NON-IDAHO RESIDENTS:

1. The City of Pocatello will charge a standard fee of \$0.05 (five cents) per page, single sided for standard black and white photocopied 8 ½” X 11” paper (without any redactions), plus the actual costs of postage; standard color copies on regular paper shall be charged at the rate of \$0.50 (fifty cents) per page. Black and white single-sided copies on ledger size paper (11” X 17”) shall be charged at the rate of \$0.10 (ten cents) per page, and color single-sided copies on ledger size paper (11” X 17”) shall be charged at the rate of \$1.00 (one dollar) per page. ANSI Copies, C, D, or E, shall be charged at the rate of \$10.00 (ten dollars) each for black and white copies, and \$25.00 (twenty-five dollars) each for color copies. If copies are to be faxed, the requesting person shall be charged \$0.50 (fifty cents) per page.
2. The City of Pocatello will charge a standard fee for other types of City records as follows:
 - a. Un-redacted audio CD’s and/or data CD’s - \$5.00 (five dollars) each.
 - b. Un-redacted DVD’s - \$15.00 (fifteen dollars) each.
 - c. Photographs, actual cost to develop or print commercially.
 - d. Microfilmed/ Microfiche / Laserfiche imaged record, \$0.50 (fifty cents) per single sided 8 ½” x 11” page.
 - e. Thumb drive – \$20.00 (twenty dollars) (if provided by the City)
3. If the requestor requests a computer tape, computer disc, or similar or analogous record system containing public record information, the City of Pocatello shall charge the City’s costs of copying the information in that form and the standard cost, if any, for selling the same information in the form of a publication.
4. In addition to the standard copying fee, the City may charge an additional fee of \$3.00 (three dollars) per item if the Records Custodian is asked by the requesting person to certify a public record.
5. In addition to other fees authorized or prescribed by this Resolution, the City may charge fees for labor costs at the per hour pay rate of the lowest paid administrative staff employee or public official who is necessary and qualified to process the request, and copying costs associated with locating and copying requested public record where:
 - a. The request is for paper records; or
 - b. The request includes records from which non-public (exempt) information must be deleted; or
 - c. The actual labor associated with responding to requests for public records in compliance with Idaho Code Title 74.

If copying resources and/or equipment are not available, the Custodian may elect to have an outside source copy the City records requested and assess any applicable charges of the outside source in addition to the labor costs, as provided by subsection 5 above.

6. The City will not charge costs or fees for copies when the cost of the copies is less than \$2.00 (two dollars), or the Requestor demonstrates that the Requestor’s examination and/or copying of public records:
 - a. Is likely to contribute significantly to the public’s understanding of the operations or activities of the City; and
 - b. Is not primarily in the individual interest of the Requestor including, but not limited to,

- the Requestor’s interest in litigation in which the Requestor is or may become a party;
and
- c. Will not occur if fees are charged because the Requestor has insufficient financial resources to pay such fees. I.C. § 74-102(10)(f).

Estimated Costs to be Paid in Advance:

For purposes of this subsection, the Records Custodian shall, whenever possible, provide the requestor with an estimate of the actual costs which will be incurred to locate, segregate and duplicate the City records. The Records Custodian shall provide the requesting person with an estimate of the actual costs in writing, and require payment from the requesting person prior to undertaking the obligation to locate, segregate and duplicate such City records. Upon delivery of the requested copy(s) of City records, the Records Custodian shall provide the requesting person with a full accounting of the actual costs incurred by the City, in locating, segregating and duplicating such City records. The requesting person shall pay the additional actual costs incurred by the City, if any, in excess of the estimated amount paid, or the City shall provide the requesting person a refund if the actual costs in locating, segregating and duplicating the City records do not exceed the estimated costs paid by the requesting person.

SANITATION DEPARTMENT FEES:

3. Inasmuch as sanitation services are mandatory, there shall be a minimum monthly charge of **\$22.96** (formerly \$22.28) for sanitation services for any premises within the City, even if collection services are refused or not requested. Recycling services are a voluntary option.

**NOTICE OF PUBLIC HEARING
CITY OF POCATELLO, IDAHO BUDGET FOR FISCAL YEAR 2026**

Notice is hereby given that the City Council for the City of Pocatello, Idaho, will hold a public hearing for consideration of a proposed budget for the fiscal period October 1, 2025 through September 30, 2026; all pursuant to the provisions of Section 50-1002, I.C. and Section 63-802, I.C., said hearing to be held at the Council Chambers at 911 North 7th Avenue, Pocatello, Idaho, at 6 p.m. on August 7, 2025. At said hearing, all interested persons may appear and show cause, if any they have, why the proposed budget should or should not be adopted. The estimated revenue from property taxes for Fiscal Year 2026 is \$35,865,971, and the sum of revenue from other sources including internal transfers and forgone is estimated to be \$115,531,704. In accordance with the Americans with Disabilities Act, it is the policy of the City of Pocatello to offer its public programs, services, and meetings in a manner that is readily accessible to everyone, including those with disabilities. If you are disabled and require an accommodation, please contact Skyler Beebe with two (2) business days' advance notice at sbeebe@pocatello.gov; 208.234.6248; or 5815 South 5th Avenue, Pocatello, Idaho. Advance notification within this guideline will enable the City to make reasonable arrangements to ensure accessibility.

Agenda Item #9

**VACATION OF RIGHT-OF-WAY
PUBLIC HEARING: THURSDAY, AUGUST 7, 2025
STAFF REPORT**

File: VAC25-0001

APPLICANT/OWNER: Kartchner Homes
LOCATION: Saunter Lane (that portion south of Wayfarer St.)
REQUEST: Vacation of 0.5 acres (more or less) of Saunter Lane

RECOMMENDATION & CONDITIONS: Based on the information presented in this report, staff recommends approval of vacating the subject Right-Of-Way (ROW), with the following conditions attached:

1. The standards and requirements as outlined in the Public Works Memorandum shall be strictly adhered to. This includes retaining a utility and ingress/egress emergency access easement;
2. All work of relocation of sewer utilities and defining any new easements will be at the applicant's expense;
3. The legal description for the subject parcel shall be reviewed and approved by the City Surveyor prior to recording;
4. Any other requirements not herein noted above but applicable as part of an approved ROW vacation shall be strictly adhered to.

REQUEST: An application has been submitted by Tyson Allen on behalf of Kartchner Homes, requesting to vacate the public's interest entailing 0.5-acres (more or less) of the Saunter Lane extending from Wayfarer Street south through the cul-de-sac of Saunter Lane.

BACKGROUND: The applicant is desirous of vacating the aforementioned Right-Of-Way (ROW) to develop a new multi-family housing project.

NOTIFICATION: All property owners within a 300-foot radius of the existing property boundaries have been provided notice of the public hearing by mail in order that they may provide comment on the proposed request. Notice was also provided in the legal section of the Idaho State Journal.

UTILITY PROVIDER & CITY DEPARTMENT NOTICE: Utility providers and affected City departments were provided notice on 7/8/2025. Comment was received from City Water Pollution Control staff, as well as Idaho Power. The comments are addressed in the Public Works Memorandum.

CRITERIA FOR REVIEW: The City Council shall review the facts and circumstances of each proposal in terms of the standards listed in the Table below:

Table 1. Vacation of Right-of-Way Review Criteria Analysis

Compliant				
Yes	No	N/A		
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Requirement 1	DESCRIBE WHY THE REQUESTED VACATION IS EXPEDIENT FOR THE PUBLIC GOOD.
			Applicant Response	The South end of Saunter In will not be needed or used as it is currently built for the development of the new multi family housing project that is intended to be built.
			Staff Review	The property owner has a viable plan to replace the cul-de-sac with a more efficient design that will fit with adjacent uses.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Requirement 2	IDENTIFY ANY "DAMAGES" THAT THE CITY MAY INCUR AS A RESULT OF THE REQUESTED VACATION AND DESCRIBE ANY PROPOSED TERMS AND CONDITIONS FOR MITIGATING ANY "DAMAGES."
			Applicant Response	There are no damages that the city will incur. The road doesn't go anywhere, and is just a cul-de-sac. The property's on both sides of this portion of Saunter will all become one property for a future multi family project. This also will not interfere with any public travel or transportation.
			Staff Review	Staff does not anticipate any damages will incur upon the general public by vacating the cul-de-sac of Saunter Lane, provided all conditions are adhered to as recommended by Staff.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Requirement 3	DESCRIBE THE REQUESTED MANNER OF REVERSION OF THE REQUESTED VACATED AREA AND HOW IT IS IN THE BEST INTERESTS OF THE ADJOINING PROPERTY OWNERS.
			Applicant Response	We are the adjoining property owner's and this is to provide for a future project that we believe will be better suited for the area.
			Staff Review	The updated site plan is in the best interest of the adjacent owners by developing the site with multi-family housing, which matches existing adjacent land uses.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Requirement 4	EXPLAIN WHY GRANTING THE REQUESTED VACATION WILL NOT IMPAIR THE RIGHTS OF ANY LOT OWNER OR PUBLIC UTILITY.
			Applicant Response	Because this road is a dead end, and any utilities on this road would only service the lots owned by Kartchner. There aren't any other lot owners that adjoin this portion of the road. The utilities of other lot owners also will not be affected.
			Staff Review	Significant infrastructure exists therefore the recommendations of the attached public works memorandum should be followed.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Requirement 5	PROVIDE ANY ADDITIONAL INFORMATION THAT YOU FEEL IS APPLICABLE TO THIS PETITION.
			Applicant	N/A
			Staff Review	No additional comment

ATTACHMENT A
APPLICATION WITH PERTINENT INFORMATION

Part of the Southwest Quarter of Section 1, Township 6 South, Range 34 East of the Boise Meridian also being Saunter Lane recorded on The Crossings Division No. 1 Amended Plat in Bannock County, Idaho Recorder's Office under Instrument No. 21918332 on November 20, 2019 described as follows

Beginning at the South Quarter Corner of Section 1, Township 6 South, Range 34 East of the Boise Meridian (the Southwest Corner of said Section bears S 89°53'17" W 2608.73 feet) thence S 89°53'17" W 1018.88 feet along the South line of said Section; thence N 00°06'43" W 436.00 feet to the Northwest Corner of Lot 12 of The Crossings Division No. 1 Amended Plat as recorded in the Bannock County Recorder's office under Instrument No. 21918332 on November 20, 2019, said point also being the POINT OF BEGINNING and running

thence along the right of way of Saunter Lane as shown in said plat the following 6 courses:

- 1) thence S 44°57'53" W 28.25 feet;
- 2) thence S 00°02'30" W 220.25 feet;
- 3) thence 275.22 feet along a curve to the right, with a central angle of 262°49'09", a radius of 60.00 feet, and a chord that bears N 48°32'55" W 90.00 feet;
- 4) thence with a reverse curve 28.91 feet along a curve to the left, with a central angle of 82°49'09", a radius of 20.00 feet, and a chord that bears N 41°27'04" E 26.46 feet;
- 5) thence N 00°02'30" E 140.64 feet;
- 6) thence N 45°02'07" W 28.32 feet to the South Right of Way of Wayfarer Street;

thence along the South Right of Way of said street N 89°53'16" E 90.00 feet to the point of beginning, containing 0.50 acres, more or less.

ATTACHMENT B
PUBLIC WORKS MEMORANDUM
FEBRUARY 26, 2024

Memorandum

To: Becky Babb, Planning Manager

From: Merril Quayle PE, Public Works Development Engineer
Brandy Werre, Engineer Technician

Date: July 23, 2025

Re: Saunter Lane Application #VAC25-0002

The Public Works Departments have reviewed the right-of-way vacation application request for the above-mentioned project and submits that the following changes and items shall be addressed and approved prior to recording the vacation ordinance. Approval is contingent on the completeness, accuracy, serviceability, and compliance to City Standards.

1. The proposed vacation is to remove Saunter Ln cul-de-sac road south of Wayfarer St., approximately 275 ft long, part of The Crossings Division 1 subdivision.
2. A utility and ingress/egress emergency access easement shall be retained for the entirety of the vacated right of way.
3. Any and all Fire hydrants must be accessible to fire crews, unless abandoned to city standards.
4. Plans to be prepared for the new utility locations and submitted to the city engineering department for review and approval.
5. There are two stormwater ponds located north of Hartford Dr. and Trekker Ridge. Any new development on the proposed Wayfarer St. vacation area and the adjacent property will need to consider stormwater treatment and retention for the 2-year storm event.
6. Any work of relocation of sewer utilities and defining any new easements will be at the applicant's expense. It is recommended water utilities continue to be connected from Wayfarer St., with a master meter and double check per city standards.

Please see the attached map for the approximate location of the proposed vacation.

Subject: RE: Re: VAC25-0002 Saunter Lane Vacation

Merril,

As always, our primary concern with these things is accessibility. If you can assure us direct access to the public manhole with our jet truck, then I see no problems with this vacation and support it.

Brett

The plan and conditions for the vacation will be adding a manhole just inside the proposed right-of-way and then private on the private property.

Hello,

The vacation of the right-of-way is of concern. I would like a detailed plan outlining what their plan is for the sanitary sewer mainlines. Are they to remain or be removed and if they are to remain public or private?

There are existing Idaho Power facilities located within the Saunter Lane Right-of-Way and within the adjoining public utility easement shown on The Crossings Div. No. 1 Amended Plat (Instrument No. 21918332). Please protect the existing utilities and retain a public utility easement over the vacated area.

Regards,

**EXECUTIVE SUMMARY
POCATELLO CITY COUNCIL
HEARING: AUGUST 7, 2025
ANNEXATION & ZONING MAP DESIGNATION**

REQUEST:

Brady Smith, on behalf of the property owner-McCormick Ranch LLC., has submitted a request to Annex 12.4-acres (more or less) of the parent parcel RPR3853028016 into the City of Pocatello corporate boundary, with a proposed zoning designation of Residential Low Density (RL).

RECOMMENDATION:

In consideration of the application, the Planning & Zoning Commission recommends **approval** of the Annexation and Zoning application from Brady Smith on behalf of the property owner-McCormick Ranch, LLC to Annex 12.4 acres (more or less) of parcel RPR3853028016 into the City of Pocatello corporate boundary, with a proposed zoning designation of Residential Low Density (RL), finding the application meets the standards for approval under section 17.02.110 of Pocatello City Code and with conditions as outlined in the Public Works Memorandum.

STAFF: Matthew G. Lewis, M.S. Senior Planner

- I. GENERAL BACKGROUND:** Brady Smith, on behalf of the property owner-McCormick Ranch LLC., has submitted a request to Annex 12.4-acres (more or less) of the parent parcel RPR3853028016 into the City of Pocatello corporate boundary, with a proposed zoning designation of Residential Low Density (RL).
- II. PUBLIC HEARING:** A public hearing was held before the Planning & Zoning Commission on the evening of July 9, 2025. The applicant provided a summary of the reasoning for the annexation request and zoning designation. Staff provided a brief presentation and recommendation regarding the application. There were no comments from the public provided.
- III. NOTIFICATION:** Notice was posted on the subject property and published in the Idaho State Journal on June 24, 2025. A public notice sign was placed on the subject property June 20, 2025. All property owners within three hundred feet (300') of the external boundaries of the subject property have been provided notice of the public hearing in order that they may provide comment on the proposed zoning map amendment. No written comments were received from the public prior to the publishing of this staff report.
- IV. CRITERIA FOR REVIEW:** The Planning and Zoning Commission and City Council shall review the facts and circumstances of each proposal in terms of the standards listed in the table below:

Table 1. Annexation Review Criteria Analysis

REVIEW CRITERIA (17.02.170.E):					
Compliant			Code and Staff Review		
Yes	No	N/A	Code Section	Analysis	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Idaho Code 50-222 FINDING	Annexation by Cities The annexation request is in statutory compliance with Idaho State Code Section 50-222 (5.a) Annexation with consent. In the case of a prospective annexation where all landowners of the subject property have requested annexation or where consent has been given by the landowner or landowners of a contiguous parcel or parcels or where implied consent has been given, the provisions of subsections (3) and (4) of this section shall not apply. Upon determining that a proposed annexation meets the requirements of this subsection, a city may initiate the planning and zoning procedures set forth in chapter 65, title 67, Idaho Code, to establish the comprehensive planning policies, where necessary, and zoning classification of the lands to be annexed.	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E1 FINDING	How the requested zoning at the location in question would be in the community's best interest. The request is to Annex 12.4-acres (more or less) of the subject land is proposed to be zoned Residential Low Density (RL) in accordance with the City's Future	

				Land Use Map designation of Residential (R). Future development will be similar to the existing nearby residential subdivisions.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E2	How the list of uses permitted by the zoning ordinance would blend with surrounding land uses.
			FINDING	The proposed zoning would be consistent with adjacent lands.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E3	If the subject site is physically suitable for the type and intensity of land uses permitted under the proposed zoning district.
			FINDING	The subject properties are suitable for the type and intensity of land uses permitted within the RL zoning district.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E4	If the uses permitted in the proposed zoning district would be adequately served by public facilities and services such as thoroughfares, police and fire protection, drainage, refuse disposal, water, sewer, and schools, to ensure the public health, safety and general welfare.
			FINDING	Infrastructure such as water, sewer, streets and utilities are available for extension to the area of annexation.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E5	If the uses permitted in the zoning district would be compatible in terms of their scale, mass, coverage, density, and intensity with adjacent land uses.
			FINDING	The subject parcel is currently undeveloped however it has been anticipated that annexation and development would eventually occur. The proposed uses in the proposed zoning districts would be compatible to existing development within and surrounding the subject property.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E6	Whether the proposed zoning designation is consistent with the Future Land Use Map designation.
			FINDING	The requested zoning is consistent with the Future Land Use Map and adjacent zoning to the east/northeast.

V. PLANNING & ZONING COMMISSION DECISION: In consideration of the application, the Planning & Zoning Commission recommends **approval** of the Annexation and Zoning application from Brady Smith on behalf of the property owner-McCormick Ranch, LLC to Annex 12.4 acres (more or less) of parcel RPR3853028016 into the City of Pocatello corporate boundary, with a proposed zoning designation of Residential Low Density (RL), finding the application meets the standards for approval under section 17.02.110 of Pocatello City Code and with conditions as outlined in the Public Works Memorandum.

 Rich Phillips, Chair
 Planning & Zoning Commission
 Authorized to sign 7/9/2025

STATE OF IDAHO)
) ss:
 County of Bannock)

On this 11th day of July 10, 2025, before me, the undersigned, a Notary Public in and for the Idaho State, personally appeared Chairman Rich Phillips of the City of Pocatello Planning and Zoning Commission, known to me or proved to me to be the person whose name is subscribed to the foregoing instrument, and being duly sworn, acknowledged to me that he executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

REPORT PACKET (INCLUDING PUBLIC WORKS
MEMORANDUM)**

**PLANNING & ZONING COMMISSION
 HEARING: JULY 9, 2025
 STAFF REPORT**

FILE: ANEX25-0004

Applicant: Brady Smith, Avyant
Owner : McCormick Ranch, LLC
Request: Annexation and request for Zoning Designation
Legal Description: See attached legal in the application material
General Location: West/northwest of Champlaine Street
Staff: Matthew G. Lewis M.S., Senior Planner

Idaho State Code Title 50:

The corporate boundary of the City may be expanded whenever the City Council deems it to be for the public convenience, or necessity, or for the general welfare. Annexations shall be conducted in accordance with Idaho State Code Title 50, Chapter 2 and City Code section 17.02.110. As land is annexed, it shall be given a zoning district designation based on designations as identified on the City’s Future Land Use Map and the provisions of City Code section 17.01.130. A full analysis of the standards for annexation are detailed within the staff report in pages 2-3. In consideration of the application, staff concludes that the proposed annexation and zoning request is **compliant** with Pocatello City Code section 17.02.110.

Optional Motions:

1. Approval of the Application: “Move to recommend **approval** of the Annexation and Zoning application from Brady Smith on behalf of the property owner-McCormick Ranch, LLC to Annex 12.4 acres (more or less) of parcel RPR3853028016 into the City of Pocatello corporate boundary, with a proposed zoning designation of Residential Low Density (RL), finding the application meets the standards for approval under section 17.02.110 of Pocatello City Code, [insert any conditions of approval], and to authorize the Chair to sign the Findings of Fact.”

2. Denial of the Application: “Move to recommend **denial** of the Annexation and Zoning application from Brady Smith on behalf of the property owner-McCormick Ranch, LLC, finding the application does not meet the standards for approval under section 17.02.110 of Pocatello City Code, [insert any conditions of approval], and to authorize the Chair to sign the Findings of Fact.”

General Background:

Request: Brady Smith, on behalf of the property owner-McCormick Ranch LLC., has submitted a request to Annex 12.4-acres (more or less) of the parent parcel RPR3853028016 into the City of Pocatello corporate boundary, with a proposed zoning designation of Residential Low Density (RL).

Physical Characteristics of the Site: The subject site is located generally west/northwest of Trail Creek Estates Division 2. The site is generally flat consisting a various grasses and unimproved gravel drive extending from the end of Champlaine Street.

Notification: Notice was posted on the subject property and published in the Idaho State Journal on June 24, 2025. A public notice sign was placed on the subject property June 20, 2025. All property owners within three hundred feet (300’) of the external boundaries of the subject property have been provided notice of the public hearing in order that they may provide comment on the proposed zoning map amendment. No written comments were received from the public prior to the publishing of this staff report.

Planning & Zoning Commission Action: After notice, the Planning and Zoning Commission shall hold a hearing to consider the request and render a recommendation. The commission shall submit findings of fact and recommendation to the City Council within forty-five (45) days following closure of the public hearing.

Attachments:

Criteria for Review: The Planning and Zoning Commission and City Council shall review the facts and circumstances of each proposal in terms of the standards listed in the table below:

Table 1. Annexation Review Criteria Analysis

REVIEW CRITERIA (17.02.170.E):					
Compliant			Code and Staff Review		
Yes	No	N/A	Code Section	Analysis	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Idaho Code 50-222	Annexation by Cities	
			Staff Review	The annexation request is in statutory compliance with Idaho State Code Section 50-222 (5.a) Annexation with consent. In the case of a prospective annexation where all landowners of the subject property have requested annexation or where consent has been given by the landowner or landowners of a contiguous parcel or parcels or where implied consent has been given, the provisions of subsections (3) and (4) of this section shall not apply. Upon determining that a proposed annexation meets the requirements of this subsection, a city may initiate the planning and zoning procedures set forth in chapter 65, title 67, Idaho Code, to establish the comprehensive planning policies, where necessary, and zoning classification of the lands to be annexed.	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E1	How the requested zoning at the location in question would be in the community's best interest.	
			Staff Review	As noted above the request is to Annex 12.4-acres (more or less) of the subject land is proposed to be zoned Residential Low Density (RL) in accordance with the City's Future Land Use Map designation of Residential (R). Future development will be similar to the existing nearby residential subdivisions.	
			Applicant Response	It would add additional housing options in Pocatello and follow the same requirements as the residential neighborhoods it will be extending.	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E2	How the list of uses permitted by the zoning ordinance would blend with surrounding land uses.	
			Staff Review	The proposed zoning would be consistent with adjacent lands.	
			Applicant Response	This proposal would add additional phases to the existing Trail Creek Subdivision and is proposed to match the lots in that subdivision with relation to size, scope and zoning.	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E3	If the subject site is physically suitable for the type and intensity of land uses permitted under the proposed zoning district.	
			Staff Review	The subject properties are suitable for the type and intensity of land uses permitted within the RL zoning district.	
			Applicant Response	The proposed phases are within land that is contiguous to the existing subdivision where there is already access to city utilities. The existing roads will be extended as the subdivision grows phase by phase. All lot sizes and zoning are comparable to the existing lots within the adjoining subdivisions.	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E4	If the uses permitted in the proposed zoning district would be adequately served by public facilities and services such as thoroughfares, police and fire protection, drainage, refuse disposal, water, sewer, and schools, to ensure the public health, safety and general welfare.	

			Staff Review	Infrastructure such as water, sewer, streets and utilities are available for extension to the area of annexation.
			Applicant Response	The proposes phases are extensions of streets and utilities that will comply with all current city regulations and codes. Sidewalks will be extended for accessibility throughout the neighborhoods.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E5	If the uses permitted in the zoning district would be compatible in terms of their scale, mass, coverage, density, and intensity with adjacent land uses.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Staff Review	The subject parcel is currently undeveloped however it has been anticipated that annexation and development would eventually occur. The proposed uses in the proposed zoning districts would be compatible to existing development within and surrounding the subject property.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Applicant Response	The proposal is merely an extension of an existing subdivision as part of a masterplan concept. All lot sizes and zoning will be consistent with the neighboring subdivisions.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.E6	Whether the proposed zoning designation is consistent with the Future Land Use Map designation.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Staff Review	The requested zoning is consistent with the Future Land Use Map and adjacent zoning to the east/northeast.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Applicant Response	The area in which this project is being proposed is already classified as residential in the comprehensive plan. We are extending the limits of the existing subdivision and will be consistent with the phases approved before.

Date: July 1, 2025

Re: Trail Creek Estates Div. 5-7 – P&Z 7.9.2025, CC 8.7.2025, Application #ANEX25-0004

Background

Applicants McCormick Ranch LLC, the owner and Brady Smith, Avyant the Applicant, has requested that approximately 12.4 acres on the west bench to be annexed into the corporate boundaries of the City of Pocatello, a Political Subdivision of Idaho.

Location Westerly end of Champlaine Street

Utilities/Infrastructure Culinary water and fire flow will be served from the Trail Creek Reservoir. Infrastructure will need to be extended to the annexed area. A water model will be required at the time of final plat approval. Sanitary sewer is available and can be served from Champlaine Street. Stormwater will need to be detained/retained in the existing pond system developed for this area in accordance with the Portneuf Valley Stormwater Design Manual. Champlaine Street will be the access, roadways will need to be extended per city standards.

Conditions

The Public Works Department has reviewed the annexation request and the following items have been identified as conditions.

1. Annexation water values per Resolution 2006-02 requires a developer requesting annexation or zoning application to provide:
 - A documented source of water, deliverable to the city, sufficient for the water needs of Developer and the development **Or**
 - Cash as necessary to obtain the water utilizing a formula determined by the City and based upon the following:
 - Current market value \$/acre foot) Multiplied by
 - Average water use acre-feet) Plus
 - 20% for administrative/legal costs
2. Annexation water values will be calculated at the time final plats are submitted and payment shall be received prior to any plat being recorded with Bannock County. If final plat approval is beyond one (1) year from the time of Council's Decision of annexation

3. approval, or if the number or type of lots to be platted diverge from what was previously approved, then the water assessment calculation will be reviewed and may be amended to utilize up-to-date values and figures.
4. Utilities and infrastructure are available for said development but, will need to be extended to the area as development occurs.
5. All city standards in affect at the time of development will apply to the development area within the said annexation.

Staff Recommendations

Staff recommends approving the annexation request with the above conditions.

Agenda Item #11

**POCATELLO CITY COUNCIL
HEARING: AUGUST 7, 2025
EXECUTIVE SUMMARY**

REQUEST:

The City of Pocatello's Planning & Development Services Department has submitted a Zoning Ordinance Text Amendment application to amend Pocatello City Code §17.04.170.B regarding sensitive lands standards.

RECOMMENDATION:

In consideration of the application, and City staff review, the Planning & Zoning Commission recommended **approval** of the application after a public hearing was held on July 9, 2025 finding the application meets the standards for approval under section 17.02.170.F of Pocatello City Code.

ATTACHMENTS:

FINDINGS OF FACT & RECOMMENDATION
CITY OF POCATELLO
PLANNING & ZONING COMMISSION
 HEARING: JULY 9, 2025

APPLICANT: City of Pocatello / Planning & Development Services
REQUEST: Zoning Ordinance Text Amendment
FILE: ZOTA25-0001
STAFF: Jim Anglesey, Long-Range Senior Planner

- I. GENERAL BACKGROUND:** The City of Pocatello, represented by the Planning & Development Services Department, has submitted a zoning ordinance text amendment application regarding changes to standards within the sensitive lands overlay (§17.04.170).
- II. PUBLIC HEARING:** A public hearing was held before the Planning & Zoning Commission on the evening of July 9, 2025. The applicant provided a summary of the proposed zoning ordinance text amendment. Staff provided a brief presentation and recommendation regarding the application. There were no comments from the public provided.
- III. NOTIFICATION:** Notice was published in the Idaho State Journal on June 24, 2025 and again on July 1, 2025 both as display ads and legal notices as required in City Code §17.02.300.A.3. Notice information was also provided to local television and radio stations to include in their public announcements. Additionally, notice information was posted on all City social media platforms. No written comments were received from the public.
- IV. CRITERIA FOR REVIEW:** The Planning and Zoning Commission and City Council shall review the facts and circumstances of each proposal in terms of the standards listed in the table below:

Table 1. Zoning Ordinance Text Amendment Review Criteria Analysis

REVIEW CRITERIA (17.02.170.F):					
Compliant			City Code and P&Z Findings		
Yes	No	N/A	Code Section	Analysis	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.F1	The proposed text amendment would be in the community's best interest.	
			<i>Finding</i>	The community's best interests are generally outlined within the long-range plans adopted by the City, especially as these go through a rigorous planning and public engagement process. Comprehensive Plan 2040 strikes a balance between economic development, housing development, and wildlife and resource protection. The City's zoning regulations should incorporate this same balance. See "Compliance with Comprehensive Plan 2040" below.	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.F2	The proposed text amendment is consistent with the existing provisions of the zoning ordinance.	
			<i>Finding</i>	All related provisions of the zoning ordinance are consistent with the proposed change and will apply where stated without any anticipated conflicts.	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	17.02.170.F3	The proposed text amendment is consistent with existing provisions of the comprehensive plan.	
			<i>Finding</i>	See below regarding consistency with the comprehensive plan.	

	Environmentally Resilient (Infill development, preservation of slopes & benches)
Goal 4	Cultivate compact development patterns and enhanced aesthetics that promote walkability, community health, reduced infrastructure, and energy costs. A. Adopt standards to incentivize vertical mixed-use development, open space and foothill preservation, and reduced off-street parking requirements.
	Planning Approach
Housing Opportunities & Choices	Building quality housing for families of all life stages and income levels is an integral part of a Smart Growth approach. Housing constitutes a significant share of new construction and development in any city, but its economic importance is sometimes overlooked. Adding housing in commercial districts can breathe new life into these neighborhoods in evenings and on weekends. More importantly, the housing options available in a community will influence families' economic opportunity, costs of living, and time spent commuting each day. Diversifying housing options within existing neighborhoods can give everyone more choices about where to live.
Open Space Preservation	Preserving open spaces like foothills, parks, and farms is both an environmental issue and economic issue. People across the country want access to natural recreation areas, which translates into demand for housing and tourism. Meeting that demand will improve the City's ability to attract employers, while also supporting agricultural industries outside of town. Preserving open spaces can also make communities more resilient by protecting them from natural disasters, combating air pollution, controlling wind, providing erosion control, moderating temperatures, protecting water quality, and protecting animal and plant habitats.
Infill Development	Developing within existing neighborhoods and commercial corridors and districts, rather than building on previously undeveloped land on the edge of town, makes the most of the investments we've already made in roads, bridges, water pipes, and other infrastructure, while strengthening local tax bases and protecting open space. Regulations, zoning, and other public policies sometimes make this approach unnecessarily difficult for developers. City leaders can and should change policy to encourage infill development.
Predictable, Fair & Cost Effective Standards	Developers who want to build walkable, urban places play a crucial role in Pocatello's future. With the City's approach of encouraging Smart Growth development, the City can and should examine their regulations and streamline the project permitting and approval process so that development decisions are more timely, cost-effective, and predictable for developers. By creating a supportive environment for development of innovative, pedestrian-oriented, mixed-use projects, the City can provide Smart Growth leadership for the private sector.
Appendix	The valley floor is any portion of land within the Portneuf Valley equal to or less than 4,600' elevation. Incentives that encourage (re)development on the valley floor rather than development on the surrounding foothills should be implemented such as density bonuses.

V. PLANNING & ZONING COMMISSION RECOMMENDATION: In consideration of the application, the Planning & Zoning Commission recommends **approval** of the Zoning Ordinance Text Amendment application from the City of Pocatello finding the amendment is in compliance with the Comprehensive Plan and the criteria listed in section 17.02.170 of Pocatello City Code.

Richard Phillips, Chair
City of Pocatello Planning & Zoning Commission
Authorized to sign 7/9/2025

STATE OF IDAHO)
County of Bannock) ss:

On this 11th day of July 2025, before me, the undersigned, a Notary Public in and for the State, personally appeared Chairman Richard Phillips on behalf of the City of Pocatello Planning and Zoning Commission, known to me or proved to me to be the person whose name is subscribed to the foregoing instrument, and being duly sworn, acknowledged to me that he executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

**PLANNING & ZONING COMMISSION
HEARING: JULY 9, 2025
STAFF REPORT**

FILE: ZOTA25-0001

APPLICANT: City of Pocatello
REPRESENTATIVE: Planning & Development Services
REQUEST: Zoning Ordinance Text Amendment
STAFF: Jim Anglesey, Long-Range Senior Planner

STAFF RECOMMENDATION:

Staff finds that the proposed text amendment meets the standards of City Code 17.02.170.F as the amendment is in the community’s best interest, consistent with the existing provisions of the Zoning Ordinance, and consistent with the existing provisions of the Comprehensive Plan. Staff recommends that the Commission consider the proposed amendment to Title 17: Zoning Regulations and act to recommend: approval; approval with modifications; or denial of the proposed changes to City Council.

OPTIONAL MOTIONS:

- 1. Approval of the Application:** “Move to recommend approval of the proposed amendment to Title 17: Zoning Regulations, finding the amendment is in compliance with the Comprehensive Plan and the criteria listed in section 17.02.170 of Pocatello City Code, [insert any conditions of approval], and to authorize the Chair to sign the findings of fact.”
- 2. Denial of the Application:** “Move to recommend denial of the proposed amendment to Title 17: Zoning Regulations, finding the amendment is not in compliance with the Comprehensive Plan and the criteria listed in section 17.02.170 of Pocatello City Code, finding that: [cite findings for denial], and to authorize the Chair to sign the findings of fact.”

GENERAL BACKGROUND:

Planning & Development Services staff is seeking the Commission’s recommendation to either approve or deny the proposed change to Title 17: Zoning Regulations, and prepare a draft for the City Council to consider. Planning staff is charged with overseeing the orderly growth and development of the City of Pocatello. One function of this work is the administration of the City’s land use related ordinances. Staff has prepared the following amendment to Title 17: Zoning Regulations. Pages 2-3 of the staff report contains a brief summary of the proposed amendments, and **Attachment A** contains the proposed text.

Pursuant to City Code 17.02.170, the City Council, Planning & Zoning Commission or the Planning and Development Services Director may initiate action to amend the text of Title 17. Pursuant to City Code 17.02.170.F, Criteria for Zoning Ordinance Text Amendment, the Planning and Zoning

Commission and the City Council shall review the facts and circumstances of the proposed amendment to the text of the zoning ordinance based on the following standards:

1. The proposed text amendment would be in the community’s best interest.
2. The proposed text amendment is consistent with the existing provisions of the zoning ordinance.
3. The proposed text amendment is consistent with the provisions of the Comprehensive Plan.

Notification: Notice was published in the Idaho State Journal on June 24, 2025 and again on July 1, 2025 both as display ads and legal notices as required in City Code §17.02.300.A.3. Notice information was also provided to local television and radio stations to include in their public announcements. Additionally, notice information was posted on all City social media platforms. No written comments were received from the public prior to the publishing of this staff report.

Infill Development	<p>Developing within existing neighborhoods and commercial corridors and districts, rather than building on previously undeveloped land on the edge of town, makes the most of the investments we've already made in roads, bridges, water pipes, and other infrastructure, while strengthening local tax bases and protecting open space. Regulations, zoning, and other public policies sometimes make this approach unnecessarily difficult for developers. City leaders can and should change policy to encourage infill development.</p>
Predictable, Fair & Cost Effective Standards	<p>Developers who want to build walkable, urban places play a crucial role in Pocatello's future. With the City's approach of encouraging Smart Growth development, the City can and should examine their regulations and streamline the project permitting and approval process so that development decisions are more timely, cost-effective, and predictable for developers. By creating a supportive environment for development of innovative, pedestrian-oriented, mixed-use projects, the City can provide Smart Growth leadership for the private sector.</p>
Appendix	<p>The valley floor is any portion of land within the Portneuf Valley equal to or less than 4,600' elevation. Incentives that encourage (re)development on the valley floor rather than development on the surrounding foothills should be implemented such as density bonuses.</p>

17.04.170: SENSITIVE LANDS STANDARDS:

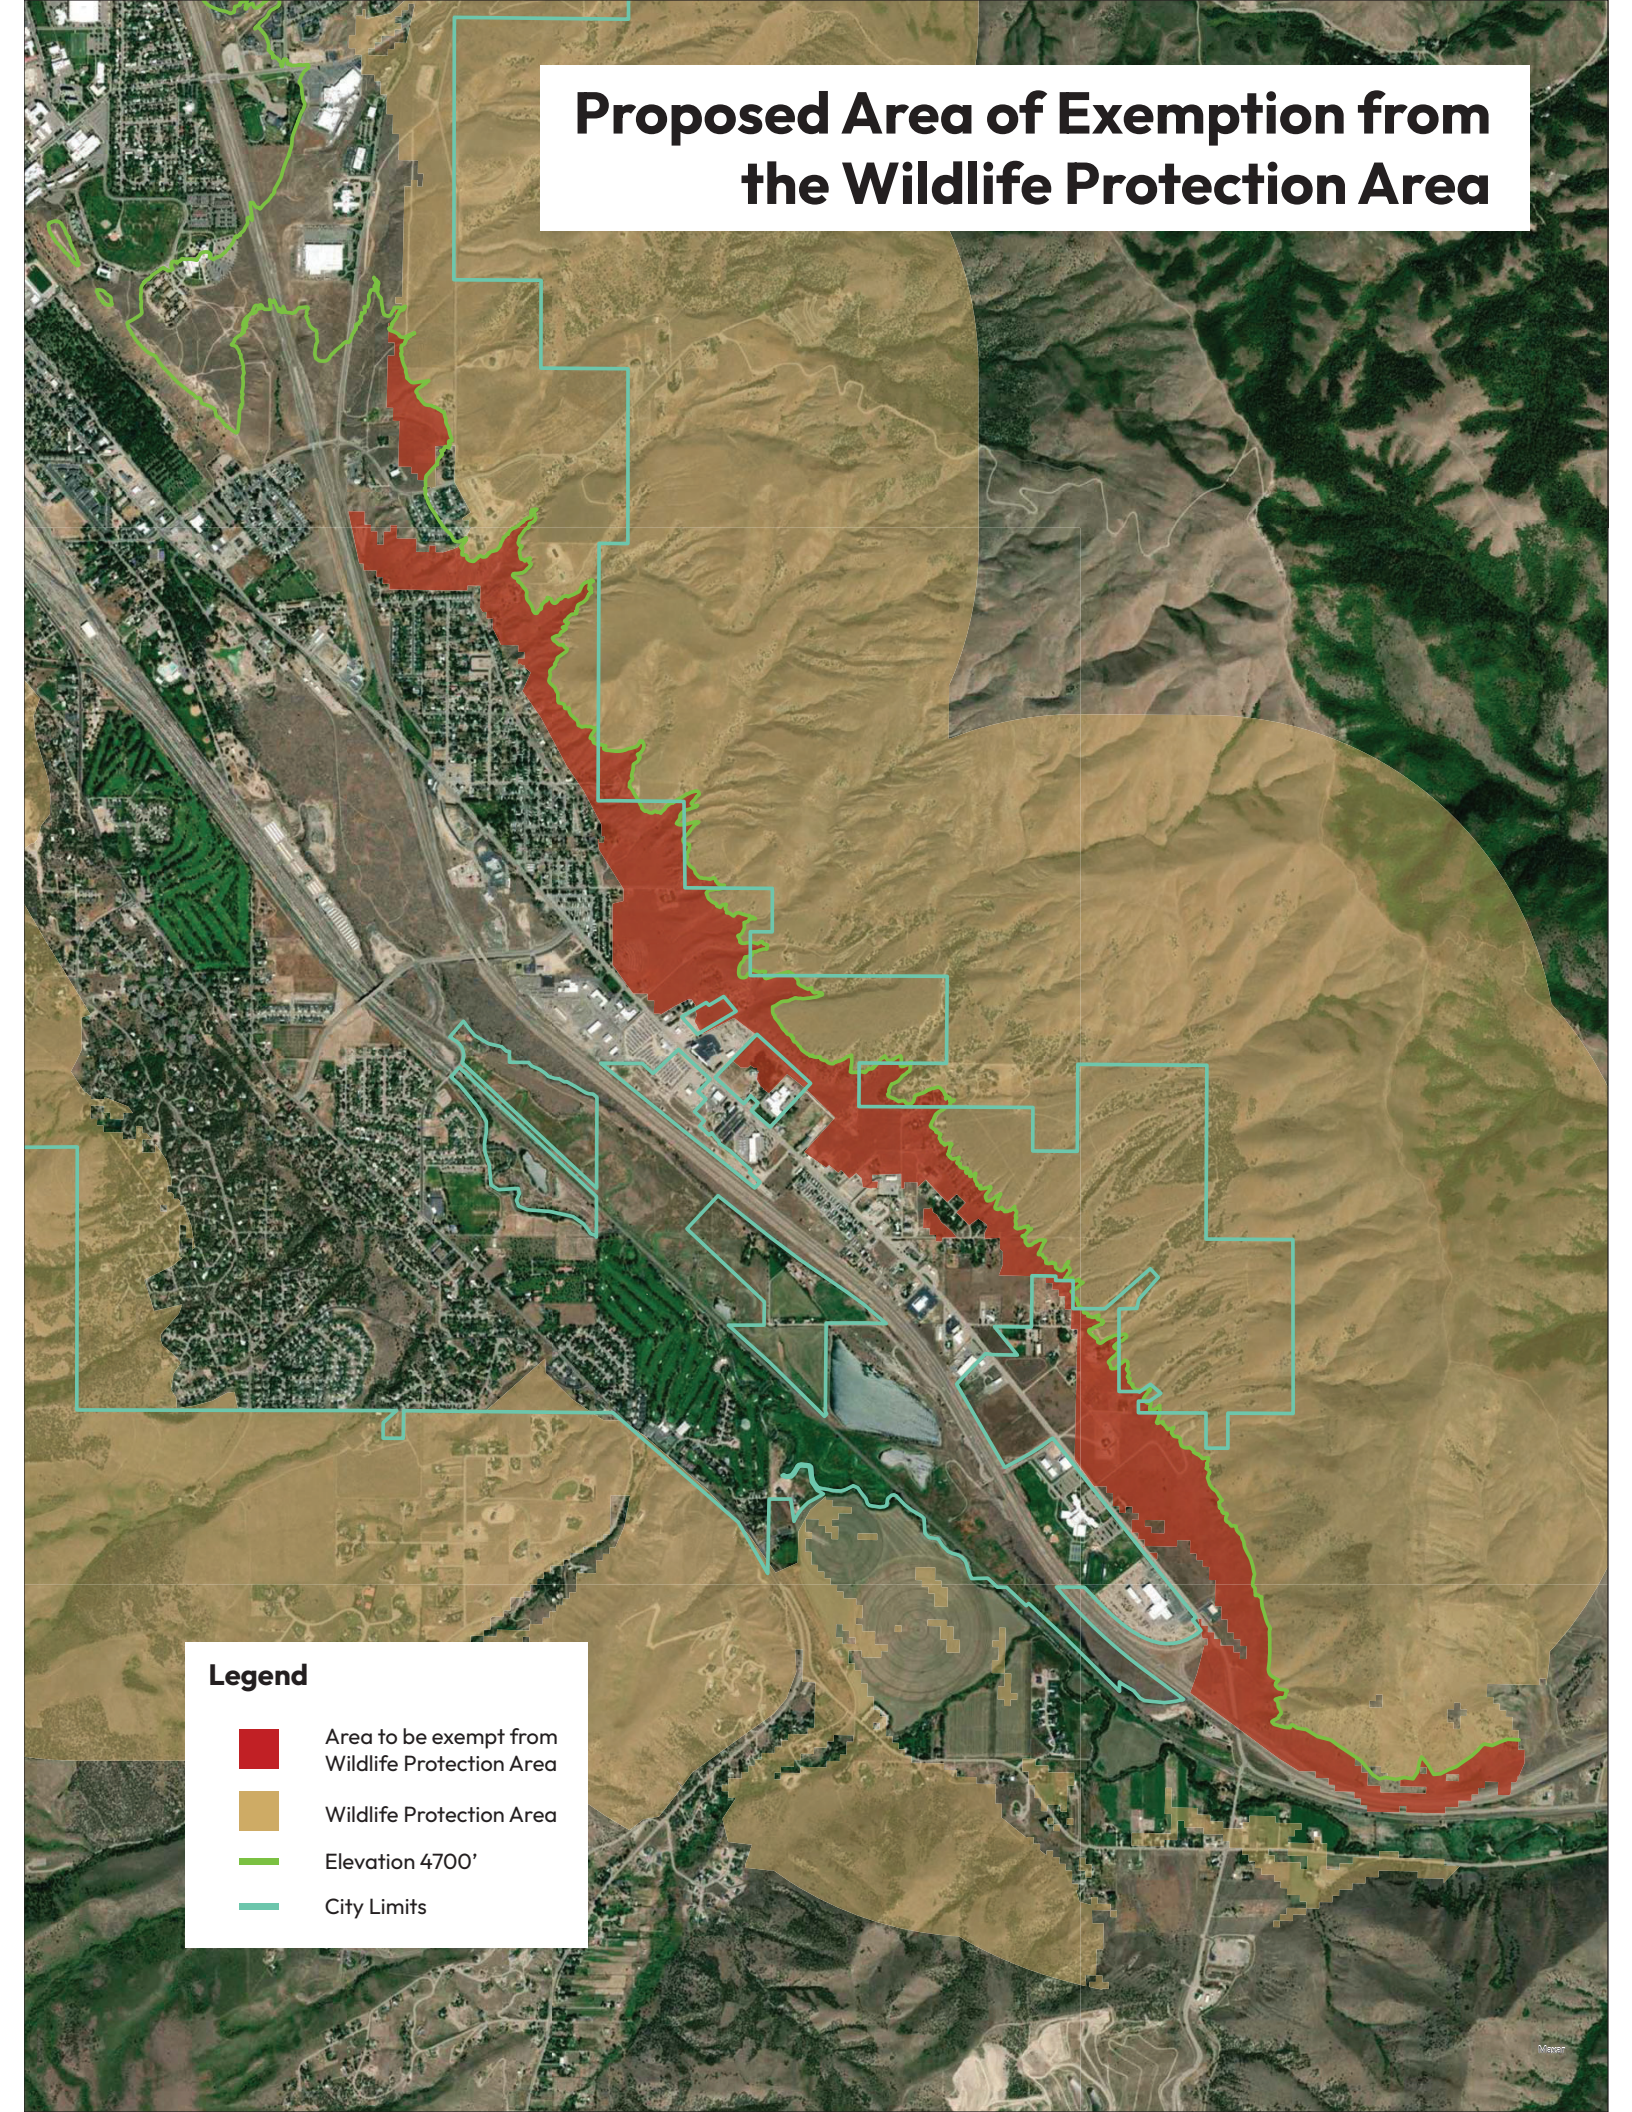

B. Applicability: The provisions of this section shall be applied to any property or parcels containing sensitive lands as identified herein and/or as depicted in the Comprehensive Plan. These provisions shall apply regardless of whether or not a building permit, development permit, land division, or other authorization is required. These provisions do not provide any exemption from any state or federal regulations that may apply. The City of Pocatello has designated the following as sensitive lands:

1. Wildlife habitat protection areas. [Designated areas east of the Portneuf River, below elevation 4700', may be exempted from density and clustering standards of this section;](#)
2. Significant natural and archaeological features, including:
 - a. Mapped basalt cliffs;
 - b. Edson Fichter Nature Area;
 - c. Areas containing petroglyphs or other prehistoric or archaeological resources;
 - d. Idaho State University's Red Hill;
 - e. City Creek Management Area; and
 - f. Other areas worthy of conservation because of their intrinsic natural or cultural characteristics, ecological functions, scenic qualities or distinctive character which have been designated as sensitive lands by the City through the Comprehensive Plan.

Proposed Area of Exemption from the Wildlife Protection Area

Legend

-  Area to be exempt from Wildlife Protection Area
-  Wildlife Protection Area
-  Elevation 4700'

Agenda Item #12

**CITY COUNCIL
HEARING: AUGUST 7, 2025
EXECUTIVE SUMMARY**

REQUEST:

The request is for Final plat approval of a subdivision to be known as Ridges at High Terrace. The proposal calls for the platting of 81.78 acres, more or less into approximately 40 lots for residential development. The property is zoned Residential Low Density (RL). The application was submitted Bill Isley, represented by Sunrise Engineering.

RECOMMENDATION:

In consideration of the application, and City staff review, the Planning & Zoning Commission recommended **approval** of the final plat application after a public hearing was held on April 9, 2025 finding the application meets the standards for approval under section 17.02.170.E of Pocatello City Code. See attached Planning & Zoning Commission Findings of Fact with conditions attached.

STAFF RECOMMENDATION:

Staff recommends approval of the final plat with adoption of the Planning & Zoning Commissions Findings of Fact including conditions and including the Public Works Memorandum dated July 28, 2025.

ATTACHMENTS:

- a. Final Plat – The Ridges at High Terrace
- b. Public Works Memorandum
- c. Planning & Zoning Commission Findings of Fact Preliminary Plat
- d. Planning & Zoning Commission Staff Report Packet Preliminary Plat

- NOTES:**
1. INSTALL THE WATER BAR AS SOON AS THE SITE IS CLEARED AND GRADED.
 2. DISK OR STRIP THE SOO FROM THE BASE FOR THE CONSTRUCTED RIDGE BEFORE PLACING FILL.
 3. TRACK THE RIDGE TO COMPACT IT TO THE DESIGN CROSS SECTION.
 4. THE OUTLET SHALL BE LOCATED ON AN UNDISTURBED AREA. FIELD SPACING WILL BE ADJUSTED TO USE THE MOST STABLE OUTLET AREAS. OUTLET PROTECTION WILL BE PROVIDED WHEN NATURAL AREAS ARE NOT ADEQUATE.
 5. VEHICLE CROSSING SHALL BE STABILIZED WITH GRAVEL. EXPOSED AREAS SHALL BE IMMEDIATELY SEEDED AND MULCHED.
 6. CHECK OUTLET AREAS AND MAKE REPAIRS AS NEEDED TO RESTORE OPERATION.
 7. PERIODICALLY INSPECT FOR EROSION DAMAGE AND SEDIMENT.

TEMPORARY SWALE/DIVERSION DITCH
 100A NOT TO SCALE

- NOTES:**
1. THE STABILIZED CONSTRUCTION ENTRANCE MAY REQUIRE PERIODIC TOP DRESSING OF 2" STONE, AS CONDITIONS DEMAND.
 2. THE STABILIZED CONSTRUCTION ENTRANCE LOCATED ON A DETOUR ROADWAY TO MEET THE MINIMUM PUBLIC ROAD RADI AND WIDTH REQUIREMENTS.
 3. MINOR MODIFICATION TO THESE INSTALLATIONS MAY BE NECESSARY TO TEMPORARY STABILIZATION OF CONSTRUCTION ENTRANCE DETAIL.

100B STABILIZED CONSTRUCTION ENTRANCE
 NOT TO SCALE

- NOTES:**
1. FENCE POSTS SHALL BE A MINIMUM OF 36" LONG DRIVE A MINIMUM OF 8" INTO THE GROUND. WOOD POSTS SHALL BE 1.5" SQUARE (MIN) CUT OR 1.75" DIA ROUND AND SHALL BE SOUND QUALITY WOOD. STEEL POSTS SHALL BE STANDARD T OR U SECTION WEIGHING NOT LESS THAN 1 LBLF.
 2. GEOTEXTILE SHALL FASTENED SECURELY TO EACH FENCE POST WITH WIRE TIES OR STAPLES AT THE TOP AND MID-SECTION AND SHALL MEET THE FOLLOWING MINIMUM REQUIREMENTS FOR GEOTEXTILE CLASS F:
 TENSILE STRENGTH 50 LBS/IN
 TENSILE MODULUS 20 LBS/IN
 FLOW RATE 0.3 GAL/SQ.FT./MIN
 FILTERING EFFICIENCY 75%
 3. WHERE ENDS OF GEOTEXTILE COME TOGETHER THEY SHALL BE OVERLAPPED, FOLDED AND STAPLED TO PREVENT SEDIMENT BY PASS.
 4. SILT FENCE SHALL BE INSPECTED AFTER EVERY RAINFALL AND MAINTAINED WHEN BULGE OCCUR OR WHEN SEDIMENT HAS REACHED 50% OF THE HEIGHT.

ATTACHMENT B
PUBLIC WORKS MEMORANDUM
July 28, 2025

Memorandum

To: Becky Babb, Planning Manager

From: Merrill Quayle PE, Public Works Development Engineer

Jacob Murphy, Senior Engineering Technician

Date: 07/25/2025

Re: The Ridges at High Terrace Division 1 – City Council Final Plat (08/08/2025)
Application #FP25-0007

The Public Works Departments have reviewed the final plat/construction drawings application for the above-mentioned project and submits that the following changes and items shall be addressed and approved prior to beginning construction. Approval is contingent on the completeness, accuracy, serviceability, and compliance to City Standards.

1. Plat

- A. After approval by the City Council of the proposed final plat, Applicant will be required to enter into a Development Agreement with the City of Pocatello.
- B. Prior to recording the Plat, a more inclusive and comprehensive review shall be done, coordinate all plat correction through City Surveyor.
- C. Subdivision plat shall conform to all state and local laws and ordinances.
- D. Notes on the plat shall be approved by the City of Pocatello Engineering and Legal Department prior to recording.
- E. The City of Pocatello certificate to read: The plat on which this certificate appears is hereby approved and the dedications are hereby accepted by the City of Pocatello...
- F. If there are any CCR's, indicate and place recording number on the plat. Submit any CCR's associated with this plat to the City Engineering Department after recording.
- G. Provide adjoining property owners recorded deeds, a copy of all recorded easements and document(s) which grants the signatory to sign the plat on the behalf of the owner(s) to the City Surveyor for final review.
- H. Signed copy of the Permanent Operations and Maintenance (O&M) agreement for stormwater, if stormwater system is to be private. This document will be recorded.
- I. The plat shall be reproducible on an 8.5x11 sheet of paper per Bannock County instructions. The plat shall be black opaque ink, no gray scale or color
- J. All lots within The Ridges at High Terrace Division 1, it is the City's understanding that these lots will be graded during the subdivision construction process. These lots have natural slopes and proposed fill slopes greater than twenty Percent (20%) and will be required to submit for City approval, building and site grading plans prepared by a

professional engineer licensed in the State of Idaho at the time of the building application/permit. Due to the steep nature of the slopes, possible difficulties with foundation placement, fill instability, protection from slope drainage, erosion, and shallow failures, making these lots more critical. It will be the Builder/Owner of said lot to demonstrate that building and engineering standards are adhered to. A note with a lot restriction "R1" should be placed on the plat and any another acceptable mechanism to let the owners of the lots know of the requirements in regards to these lots.

- K.** Add restriction to lots 20,21 block 1 and lot 1 block 2 pertaining to gas and waterline easements.
- L.** Update Center Street to East Center on Plat, update Top Hat Way to Top Hat Place.
- M.** Per the MOU signed April 3rd 2025, the conditions approved under the Tuscan Heights subdivision plat shall apply to the East Center Street extension and proposed cul-de-sacs. These conditions shall be noted on this plat.
- N.** Add note, Easements not depicted: All lots in this subdivision are subject to a drainage easement equal to the primary structure setback line along all lot lines. Lots must be graded and maintained so as to minimize drainage to adjoining properties.

2. Construction Plans/Infrastructure

A. Development Conditions

1. Extend Sewer lines at intersections for future phases of development.
2. Main line taps shall be done by the City of Pocatello Water Department at the contractors' expense.
3. Water valve spacing shall be a maximum of 800 feet. Hydrant spacing shall not exceed 500 feet.
4. Storm pond serving development shall be constructed prior to acceptance of subdivision.
5. Provide temporary turn around with all weather surface at the end of Top Hat Way and Promontory Point.

B. General Conditions

1. Filing of a notice of intent (NOI) and a formal Storm Water Pollution Prevention Plan (SWPPP) in accordance with the Environmental Protection Agency (EPA) Construction General Permit (CGP) shall be submitted if the project requires, if required then a copy shall be submitted to the City.
2. An erosion and sediment control plan and a final stabilization plan will be required as part of the final plat application. An individual who has successfully completed an approved training course and who has demonstrated competence, through education, training, and knowledge of the applicable laws and regulations in erosion and sediment, and is current on certifications shall be required to be the responsible

person to oversee the plan (if certified person is unknown indicate that information will be submitted prior to any work to the site). Submittal shall meet the requirements of the federal construction general permit.

3. Developer is responsible for effecting a "Fire Wise/ Fire Fuels Management Assessment and Evaluation" on all areas within the proposed subdivision. This Assessment and Evaluation must be completed by a local fire authority having jurisdiction (Pocatello Fire Department) and meet all current requirements of the City code. Developer must reduce fire fuels within the subdivision area on all vegetation to specifications provided by the Pocatello Fire Department. All Assessments and Evaluations as well as fuels reductions are at the developer's expense.
4. As a reminder at the time of home building, those homes built in the Wildland Urban Interface (WUI) area must adhere to the latest adopted WUI Fire Code. The Fire Code Official must perform a site assessment before the Certificate of Occupancy is signed. For questions about the Wildland Urban Interface code, contact the Code Official at 208-234-6203.
5. Stormwater design and construction shall meet the core elements in the Portneuf Valley Stormwater Design Manual such as but not limited to; on site retention of the 95% storm, treatment Design (volume, flow, and bypass), site passage of upland flow and site runoff, Operation and Maintenance Manual, access to pond and structures for maintenance.
6. Pond side slopes and embankments shall be designed and constructed per **Section 6.4.6 SETBACKS, SLOPES, EMBANKMENTS & SPILLWAYS of the Portneuf Valley Stormwater Design Manual**, embankments 4 feet in height or more shall be constructed as recommended by a Geotechnical Engineer.
7. Per **Section 800 Geotechnical and Earthwork of the City of Pocatello Design Principles and Standards**, a building location shall be designed on every lot with a natural slope of fifteen percent (15%) or greater. Structures shall not be permitted on slopes of twenty percent (20%) or greater without a civil site plan stamped by a licensed engineer in the State of Idaho. Included in this section, **800.08 Grading**, slopes over 15% require engineered grading with recommendations included in a geotechnical engineering report and incorporated in the grading plans or specifications. Guidelines for Soils Engineering Report Risk Analysis Elements can be found in Appendix B of the City of Pocatello Design Principles and Standards.
8. Add a grading note to the affect that if there is more than 3 feet of fill, it needs to be placed in 8-inch lifts, compacted to 95% of maximum density. For building sites compaction tests are required denoting Lot/Block along with a map of all testing locations.
9. Record Drawings shall be submitted on Arch D (24" x 36").
10. Street lights are required for this subdivision. Utility and street light design and placement shall be approved by the City of Pocatello.

11. Provide a copy of the bid schedule of the infrastructure for the City's year end reporting.
12. Per **Section 500.04.16, City of Pocatello Design Principles and standards**, a pavement preservation technique "Fog Seal" of streets shall be required prior to the two (2) year warrantee period on all newly accepted streets. Developer can have this done by a private contractor or have the City perform the work at the Developer's expense (approximately \$0.30 per square yard for materials, 2017 cost). The city will bill the Developer after the work is completed if the City performs the work.
13. The developer will also be responsible to remove any sediment buildup in ponds constructed with the development as well as clean all storm water infrastructure prior to the two (2) year warrantee period.
14. The construction contractor will need to be bonded with the City of Pocatello for a minimum of \$50,000.00 or the subdivision shall be bonded per ordinance **16.24.110: SUBDIVISION SURETY BOND AND WARRANTY BOND**, a warranty bond for a minimum of twenty-five thousand dollars (\$25,000.00) or a maximum of five percent (5%) of one hundred twenty-five percent (125%) of the original cost estimate for the required infrastructure and improvements, whichever is the greater amount.

 Deputy: cteuscher

- I. GENERAL BACKGROUND:** Bill Isley, represented by Sunrise Engineering, has submitted a preliminary plat application to subdivide the property. The application includes three divisions. Division 1 consists of 63.3 acres, with 40 total residential lots and one (1) common lot. Division 2 consists of 8.12 acres, with 17 total residential lots and one (1) common lot. Division 3 consists of 10.36 acres, with 15 total residential lots and one (1) common lot. The minimum lot size is 7,500 sq. ft. and all lots in all divisions meet the minimum lot size criteria.
- II. PUBLIC HEARING:** A public hearing was held before the Planning & Zoning Commission on the evening of April 9, 2025. The applicant provided a summary of the proposed zone map amendment. Staff provided a brief presentation and recommendation regarding the application. There were no comments from the public provided.
- III. NOTIFICATION:** Notice was published in the Idaho State Journal and a sign was posted on the subject property on March 25, 2025. All property owners within three hundred feet (300') of the external boundaries of the land being considered have been provided notice of the public hearing in order that they may provide comment on the proposed zone map amendment. No written comments were received from the public.
- IV. CRITERIA FOR REVIEW:** The Planning and Zoning Commission and City Council shall review the facts and circumstances of each proposal in terms of the standards listed in the table below:

Table 1. Preliminary Plat Criteria Analysis

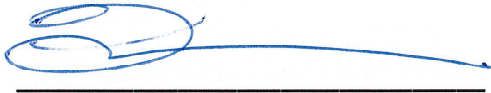

REVIEW CRITERIA (16.20.050):				
Compliant			City Code and P&Z Findings	
Yes	No	N/A	Code Section	Analysis
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 A	The subdivision proposal complies with applicable provisions of this title.
			<i>Finding</i>	The applicant's proposal is compliant with all applicable standards of Title 16, provided that all comments and conditions are met.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 B.	The subdivision proposal complies with all applicable city design standards and development regulations.

			Finding	The proposed subdivision is compliant with all applicable city design standards and development regulations. See further discussion is for Criteria 16.20.050 A-H and the Public Works Memorandum (Attachment A), subject to all conditions listed within the Public Works Memorandum and contingent on the approval of the Request for Annexation by the Pocatello City Council.
☒	☐	☐	16.20.050 C.	The subdivision proposal complies with all applicable zoning requirements of the underlying zoning district, applicable overlays, and other applicable development standards.
			Finding	<p>DENSITY & LOT DESIGN: The subject property is proposed to be zoned as Residential Low Density (RL) and is part of the pending annexation. The applicant is proposing to subdivide the property into seventy-two (72) residential lots, over three phases. The minimum lot size in the RL zoning district is 7,500 sq. ft. for a single-family dwelling. However, Division 1 is located in a designated Wildlife Habitat Protection Area therefore development is subject to Code Section 17.04.170 Wildlife Habitat Protection Standards which restricts the development by 50-percent density (see discussion below). Under the RL zoning a total of <u>368 single-family lots may be allowed</u> (63.3 acres x 43,560 = 2,757,348 sq.ft./7,500 = 368 lots). Thus, the lots permitted without requesting a density bonus or clustering is reduced to 183 lots (368 lots/2). The Preliminary Plat application proposes 40 residential lots, which is well below the permitted 183. Lot 22, which is the common lot held as open space, consists of 35.6 acres more or less.</p> <p>Divisions 2 and 3 are not within the Wildlife Habitat Protection Area. Division 2 is proposing to consist of 17 total residential lots, with 1 common lot (1.6 acres) on 8.12 acres (more or less). Division 3 is proposing 15 total residential lots with 1 common lot (4.74 acres) 10.36 acres (more or less).</p> <p>A portion of the property in Division 1 has slopes in excess of 15-percent grade. Therefore, development is subject to Code Section 17.05.100 Slope Development Standards as part of the development.</p>
☒	☐	☐	16.20.050 D.	All public facilities including streets, sidewalks, curbs, gutters, water, sewer, fire protection, and sanitation services can be provided to the newly created lots and accommodate future extension to adjacent land. 1. The use of a "control strip" intended to control or prevent the future extension of public facilities or development of adjacent land is prohibited.
			Finding	<p>R.O.W. Improvements: The Ridges at High Terrace will extend Center Street to its completion. Three proposed roads (unnamed) will be constructed throughout the phases. The road will be built to city standards including curb, gutter, and sidewalk for adjacent platted lots. See the Public Works Memorandum for further comments/conditions regarding proposed streets/ROW improvements (Attachment A).</p> <p>WATER, SEWER, & STORMWATER: Water and sewer are available to extend to the proposed subdivision and shall be subject to all applicable Municipal Standards prior to acceptance of the final plat. Water and sewer connections shall be extended to each residential lot. All development must comply with City Erosion and Sediment Control and Stormwater management requirements. See the attached Public</p>

			<p>Works Memorandum (Attachment A) for additional comments/conditions pertaining to water, sewer and stormwater requirements.</p> <p>UTILITY PROVIDER & CITY DEPARTMENT NOTICE: Pursuant to Municipal Code 16.20.040F, utility providers and affected City departments were provided notice on March 19, 2025. To date, no comments have been received from the Utility providers receiving notice. The applicant is responsible for contacting all private utility companies for extension of services such as power, natural gas, and internet services. City Department comments/conditions are summarized in Attachment A.</p> <p>PRIVATE COVENANTS, RESTRICTIONS & CONDITIONS: Recorded Owner's Covenants, Conditions and Restrictions (CC &R's) for the subdivision, if any, must be submitted after the recording of the final plat.</p>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<p>16.20.050 E.</p> <p>If city public works determines that the proposed subdivision will result in significant traffic impacts pursuant to subsection 16.20.030V of this chapter, then a "traffic impact study" will be required as part of the commission's review.</p>
			<p><i>Finding</i></p> <p>Municipal subsection 16.20.030V states that a traffic impact study will be required for any subdivision creating one hundred (100) or more peak hour trips based on the Institute of Transportation Engineers' "Trip Generation Handbook" (current edition). A traffic impact study may be waived by the Public Works Department upon the receipt of an approved traffic analysis to be included with the application. A traffic impact study has not been required as part of the application review in light of two access points being provided, ie: Vista Drive and E. Center.</p>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<p>16.20.050 F.</p> <p>The proposal provides for a continuation of a connected transportation system unless topography or natural features prevents a connection to abutting streets or property.</p>
			<p><i>Finding</i></p> <p>The proposed subdivision provides a continuation of a connected transportation system as it fully connects Center Street. See Criteria 16.20.050.D for additional comment.</p>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<p>16.20.050 G.</p> <p>The proposed subdivision provides for bicycle and pedestrian transportation routes and amenities in accordance with Bannock transportation planning organization's most recent adopted bicycle and pedestrian plans.</p>
			<p><i>Finding</i></p> <p>The Bannock Transportation Planning Organizations adopted bicycle and Pedestrian Plan does not include the area as a proposed Bicycle route. Sidewalk is proposed along both Center Street and the new roads (unnamed).</p>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<p>16.20.050 H.</p> <p>Public utilities are provided to the newly created lots in public rights of way or in appropriately sized easements. (Ord. 2971, 2016)</p>
			<p><i>Finding</i></p> <p>Public utilities are available to extend through to provide service to the newly created lots. Public utilities shall be located within either the right-of-way or access easements/utility easements. See Criteria 16.20.050.D for additional comment.</p>
			<p>16.20.070</p> <p>Expiration of planning and zoning commission's decision</p>

<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Finding	<p>The commission's decision is valid for a period of two (2) years from the date the decision is reduced to writing and transmitted to the applicant, unless a final plat has been approved by the City Council. If the plat is being phased, the preliminary plat shall expire two (2) years following the date of approval of the final plat for the previous phase.</p> <p>A. The complete final plat application must be submitted to the planning and development services prior to the expiration of the two (2) year period.</p> <p>B. Failure to submit the complete final plat application prior to the two (2) year expiration date shall require the submittal of a new preliminary plat application pursuant to this chapter. The Planning & Zoning Commission may grant one (1) twelve (12) month extension in writing upon finding of good cause.</p>
-------------------------------------	--------------------------	--------------------------	----------------	--

V. PLANNING & ZONING COMMISSION RECOMMENDATION: In consideration of the application, the Planning & Zoning Commission **approves** the Preliminary Plat application The Ridge at High Terrace Divisions 1-3 application, submitted by Sunrise Engineering on behalf of Bill Isley, finding the application meets the standards for approval under Section 16.20.050 of Pocatello Municipal Code, with conditions listed in the staff reports and contingent upon the approval of the Annexation Application by the Pocatello City Council.

Richard Phillips, Vice Chair
 Planning & Zoning Commission
 Authorized to sign 4/9/2025

STATE OF IDAHO)

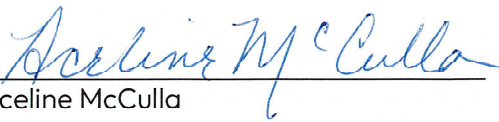

ss:

County of Bannock)

On this 11th day of April, 2025, before me, the undersigned, a Notary Public in and for the State, personally appeared Planning & Zoning Commission Chairman Richard Phillips, known to me or proved to me to be the person whose name is subscribed to the foregoing instrument, and being duly sworn, acknowledged to me that he executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.

P&Z STAFF REPORT
APRIL 9, 2025

**PLANNING & ZONING COMMISSION
HEARING: APRIL 9, 2025
STAFF REPORT**

FILE: PP25-0002

APPLICANT: David Assan, Sunrise Engineering
OWNER: Billy B Isley
REQUEST: Preliminary Plat The Ridges at High Terrace Division 1-3
LEGAL DESCRIPTION: RPR3851011410, RPR3851011411, and RPR3851011506
GENERAL LOCATION: Northwest of East Center Street
STAFF: Becky Babb, Planning Manager

SUMMARY & CONDITIONS:

In consideration of the application, staff concludes that the proposed preliminary plat application is **compliant** with Pocatello City Code Section 16.20.050 assuming the following conditions are met:

1. All comments contained in the Public Works Memorandum, dated April 2, 2025, shall be adhered to;
2. A building permit may not be issued unless all applicable standards of City Code Section 16.24.100 are adhered to, or a subdivision surety bond and warranty bond is obtained as outlined in City Code 16.24.110, prior to recording; and
3. All other standards or conditions of Municipal Code not herein stated but applicable to land subdivision and residential development shall apply.

A full analysis is detailed within this staff report.

OPTIONAL MOTIONS:

1. Approval of the Application: “Move to **approve** The Ridge at High Terrace Divisions 1-3 application, submitted by Sunrise Engineering on behalf of Bill Isley, finding the application **does** meet the standards for approval under Section 16.20.050 of Pocatello Municipal Code, with conditions listed in the staff reports **[insert any additional conditions]**, and to authorize the Chair to sign the findings of fact.

2. Denial of the Application: “Move to **deny** the Ridge at High Terrace Divisions 1-3 submitted by Sunrise Engineering on behalf of Bill Isley, finding the application **does not** meet the standards for approval under Section 16.20.050 of Pocatello Municipal Code (**state reason for denial**) and authorize the Chair to sign the Findings of Fact & Recommendation.

GENERAL BACKGROUND:

Request: Bill Isley, represented by Sunrise Engineering, has submitted a preliminary plat application to subdivide the property. The application includes three divisions. Division 1 consists of 63.3 acres, with 40 total residential lots and one (1) common lot. Division 2 consists of 8.12 acres, with 17 total residential lots and one (1) common lot. Division 3 consists of 10.36 acres, with

15 total residential lots and one (1) common lot. The minimum lot size is 7,500 sq. ft. and all lots in all divisions meet the minimum lot size criteria.

Physical Characteristics of the Site: The site is unaddressed. It consists of three (3) lots totaling 81.78 acres, more or less. The property is currently undeveloped. The property is currently in Bannock County; however, an Annexation and Zoning Application has been submitted concurrent with this Preliminary Plat Application and is currently pending.

Notification: Notice was posted on the subject property and published in the Idaho State Journal on March 24, 2025. All property owners within three hundred feet (300') of the external boundaries of the subject property have been provided notice of the public hearing in order that they may provide comment on the proposed zoning map amendment. No written comments were received from the public prior to the publishing of this staff report.

Planning & Zoning Commission Action: After notice, the Planning and Zoning Commission shall hold a hearing to consider the request and render a recommendation. The commission shall submit findings of fact and recommendation to the City Council within forty-five (45) days following closure of the public hearing.

CRITERIA FOR REVIEW: The Planning and Zoning Commission and City Council shall review the facts and circumstances of each proposal in terms of the standards listed in the table below:

Table 1. Preliminary Plat Review Criteria Analysis

REVIEW CRITERIA (16.20.050):				
Compliant			City Code and Staff Review	
Yes	No	N/A	Code Section	Analysis
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 A	The subdivision proposal complies with applicable provisions of this title.
			<i>Staff Review</i>	The proposal is compliant with all applicable standards of Title 16, provided that all comments and conditions are met.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 B.	The subdivision proposal complies with all applicable city design standards and development regulations.
			<i>Staff Review</i>	Assuming all conditions and corrections are met, the proposed subdivision is compliant with all applicable city design standards and development regulations. See further discussion is for Criteria 16.20.050 A-H and the Public Works Memorandum (Attachment A).

<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 C.	The subdivision proposal complies with all applicable zoning requirements of the underlying zoning district, applicable overlays, and other applicable development standards.
			<i>Staff Review</i>	<p>DENSITY & LOT DESIGN: The subject property is proposed to be zoned as Residential Low Density (RL) and is part of the pending annexation. The applicant is proposing to subdivide the property into seventy-two (72) residential lots, over three phases. The minimum lot size in the RL zoning district is 7,500 sq. ft. for a single-family dwelling. However, Division 1 is located in a designated Wildlife Habitat Protection Area therefore development is subject to Code Section 17.04.170 Wildlife Habitat Protection Standards which restricts the development by 50-percent density (see discussion below). Under the RL zoning a total of <u>368 single-family lots may be allowed</u> (63.3 acres x 43,560 = 2,757,348 sq.ft./7,500 = 368 lots). Thus, the lots permitted without requesting a density bonus or clustering is reduced to 183 lots (368 lots/2). The Preliminary Plat application proposes 40 residential lots, which is well below the permitted 183. Lot 22, which is the common lot held as open space, consists of 35.6 acres more or less.</p> <p>Divisions 2 and 3 are not within the Wildlife Habitat Protection Area. Division 2 is proposing to consist of 17 total residential lots, with 1 common lot (1.6 acres) on 8.12 acres (more or less). Division 3 is proposing 15 total residential lots with 1 common lot (4.74 acres) 10.36 acres (more or less).</p> <p>A portion of the property in Division 1 has slopes in excess of 15-percent grade. Therefore, development is subject to Code Section 17.05.100 Slope Development Standards as part of the development.</p>
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 D.	All public facilities including streets, sidewalks, curbs, gutters, water, sewer, fire protection, and sanitation services can be provided to the newly created lots and accommodate future extension to adjacent land. 1. The use of a "control strip" intended to control or prevent the future extension of public facilities or development of adjacent land is prohibited.
			<i>Staff Review</i>	<p>R.O.W. Improvements: The Ridges at High Terrace will extend Center Street to its completion. Three proposed roads (unnamed) will be constructed throughout the phases. The road will be built to city standards including curb, gutter, and sidewalk for adjacent platted lots. See the Public Works Memorandum for further comments/conditions regarding proposed streets/ROW improvements (Attachment A).</p>

				<p>WATER, SEWER, & STORMWATER: Water and sewer are available to extend to the proposed subdivision and shall be subject to all applicable Municipal Standards prior to acceptance of the final plat. Water and sewer connections shall be extended to each residential lot. All development must comply with City Erosion and Sediment Control and Stormwater management requirements. See the attached Public Works Memorandum (Attachment A) for additional comments/conditions pertaining to water, sewer and stormwater requirements.</p> <p>UTILITY PROVIDER & CITY DEPARTMENT NOTICE: Pursuant to Municipal Code 16.20.040F, utility providers and affected City departments were provided notice on March 19, 2025. To date, no comments have been received from the Utility providers receiving notice. The applicant is responsible for contacting all private utility companies for extension of services such as power, natural gas, and internet services. City Department comments/conditions are summarized in Attachment A.</p> <p>PRIVATE COVENANTS, RESTRICTIONS & CONDITIONS: Recorded Owner's Covenants, Conditions and Restrictions (CC &R's) for the subdivision, if any, must be submitted after the recording of the final plat.</p>
			16.20.050 E.	If city public works determines that the proposed subdivision will result in significant traffic impacts pursuant to subsection 16.20.030V of this chapter, then a "traffic impact study" will be required as part of the commission's review.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<i>Staff Review</i>	Municipal subsection 16.20.030V states that a traffic impact study will be required for any subdivision creating one hundred (100) or more peak hour trips based on the Institute of Transportation Engineers' "Trip Generation Handbook" (current edition). A traffic impact study may be waived by the Public Works Department upon the receipt of an approved traffic analysis to be included with the application. A traffic impact study has not been required as part of the application review in light of two access points being provided, ie: Vista Drive and E. Center.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 F.	The proposal provides for a continuation of a connected transportation system unless topography or natural features prevents a connection to abutting streets or property.

			Staff Review	The proposed subdivision provides a continuation of a connected transportation system as it fully connects Center Street. See Criteria 16.20.050.D for additional comment.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 G.	The proposed subdivision provides for bicycle and pedestrian transportation routes and amenities in accordance with Bannock transportation planning organization's most recent adopted bicycle and pedestrian plans.
			Staff Review	The Bannock Transportation Planning Organizations adopted bicycle and Pedestrian Plan does not include the area as a proposed Bicycle route. Sidewalk is proposed along both Center Street and the new roads (unnamed).
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.050 H.	Public utilities are provided to the newly created lots in public rights of way or in appropriately sized easements. (Ord. 2971, 2016)
			Staff Review	Public utilities are available to extend through to provide service to the newly created lots. Public utilities shall be located within either the right-of-way or access easements/utility easements. See Criteria 16.20.050.D for additional comment.
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	16.20.070	Expiration of planning and zoning commission's decision
			Staff Review	<p>The commission's decision is valid for a period of two (2) years from the date the decision is reduced to writing and transmitted to the applicant, unless a final plat has been approved by the City Council. If the plat is being phased, the preliminary plat shall expire two (2) years following the date of approval of the final plat for the previous phase.</p> <p>A. The complete final plat application must be submitted to the planning and development services prior to the expiration of the two (2) year period.</p> <p>B. Failure to submit the complete final plat application prior to the two (2) year expiration date shall require the submittal of a new preliminary plat application pursuant to this chapter. The Planning & Zoning Commission may grant one (1) twelve (12) month extension in writing upon finding of good cause.</p>

Date: 04/03/2025

Re: The Ridges @ High Terrace Div. 1-3 - P&Z Preliminary Plat (04/09/2025) Application #PP25-0002

The Public Works Department has reviewed the preliminary plat application for the above-mentioned project and submits that the following changes and items shall be addressed prior to final plat application.

Plat Conditions

1. The final plat shall meet all the requirements defined in section **16.24.040: Final Plat Requirements** of the Subdivision Ordinance.
2. Subdivision Plat shall conform to all state and local laws and ordinances.
3. The subdivision plat shall be formatted per Bannock County's requirements and reproducible on an 8.5x11 sheet of paper per Bannock County instructions.
4. Notes on the Plat shall be approved by the City of Pocatello Engineering and Legal Department prior to recording.
5. Provide adjoining property owners recorded deeds, a copy of all recorded easements, and document(s) which grants the signatory to sign the plat on behalf of the owner(s) to the City Surveyor at the time of final application for review.
6. The plat shall be black opaque ink, no gray scale or color.
7. Depict no build lines on plat as required.
8. Restriction for lots encumbered by existing water and sewer easement shall be noted on plat. The placement of permanent structures or the planting of deep-rooted trees within the natural gas and water easement is prohibited.
9. Lot restriction notes shall be placed on the final plats requiring any special construction relating to the domestic water and fire suppression systems requirements due to elevation limitations.
10. These lots will be graded with a permit approved through the County. These lots have natural slopes and proposed fill slopes greater than twenty percent (20%) and will be required to submit for City approval, building and site grading plans prepared by a professional engineer licensed in the State of Idaho at the time of the building application/permit. Due to the steep nature of the slopes, possible difficulties with foundation placement, fill instability, protection from slope drainage, erosion, and shallow failures, making these lots more critical. It will be the Builder/Owners responsibility of said lot to demonstrate that building and engineering standards are adhered to. A note with a lot restriction should be placed on the plat or another acceptable mechanism to let the owners of the lots know of the requirements in regards to these lots.
11. Add note, Easements not depicted: All lots in this subdivision are subject to a drainage easement equal to the primary structure setback line along all lot lines. Lots must be graded and maintained so as to minimize drainage to adjoining properties.

Development Conditions

1. Turn arounds shall meet City of Pocatello Fire Department standards.
2. ADA ramp crossing Center Street at intersection of A and C street and ramp crossing A street at intersection of B street required.
3. Manhole in lot 16 cannot be located in storm pond.
4. Provide improved access to all storm and sanitary sewer structures located in common lots and easements.
5. Configure waterline installation of Division 1 to accommodate chlorination and testing of proposed waterline for divisions 2 and 3.
6. Provide Geotech testing for all lots as required for building permit applications. Additional testing and reports may be required dependent on reports and proposed site plans.
7. Manholes for Sunny Grove subdivision shall be exposed and grading for access and maintenance will be completed with Division 1.
8. Storm pond and pipe infrastructure serving this development shall be completed with Division 1.

General Conditions

1. One (1) full sized copies of construction drawings for right-of-way and infrastructure improvements shall be submitted for review under section **16.24.030(D): Final Plat Application Requirements** of the Subdivision Ordinance.
2. Proposed right-of-way and infrastructure shall be designed by a licensed engineer in the State of Idaho and constructed by a contractor licensed and in good standings with the City of Pocatello and Public Works and meet all local, state, and federal regulations and standards.
3. If the developer desires to record the final plat prior to completion of all the required public infrastructure and improvements, then the developer shall be required to adhere to section **16.24.110: Subdivision Surety Bond and Warranty Bond** of the Subdivision Ordinance.
4. All items above will need to be addressed in accordance with section **16.24.080(A): Recording of Final Plat** of the Subdivision Ordinance.
5. A qualified engineer shall submit a written analysis of the storm water plan. This will include but not be limited to the associated calculations, pipe size, design details showing that the proposed design meets the Portneuf Valley Stormwater Design Manual current storm water requirements.
6. An erosion and sediment control plan and a final stabilization plan will be required as part of the final plat application.
7. Per section **800 Geotechnical and Earthwork**, Structures shall not be permitted on slopes of 20 percent or greater without a civil site plan by a licensed engineer in the State of Idaho. Included in this section, **800.08 Grading**, slopes over 15% require engineered grading with recommendations included in a geotechnical engineering report and incorporated in the grading plans or specifications. Guidelines for Soils Engineering Report Risk Analysis Elements can be found in Appendix B of the City of Pocatello Design Principles and Standards.
8. Provide the model results for the culinary water system for projected pressures and flows for the subdivision and the entire pressure zone affected. Supply a digital layout of the subdivision with elevations for model verification.
9. Developer is responsible for effecting a "Fire Wise/ Fire Fuels Management Assessment and Evaluation" on all areas within the proposed subdivision. This Assessment and Evaluation must be completed by a local fire authority having jurisdiction (Pocatello Fire Department) and meet all current requirements of the City code. Developer must reduce fire fuels within the

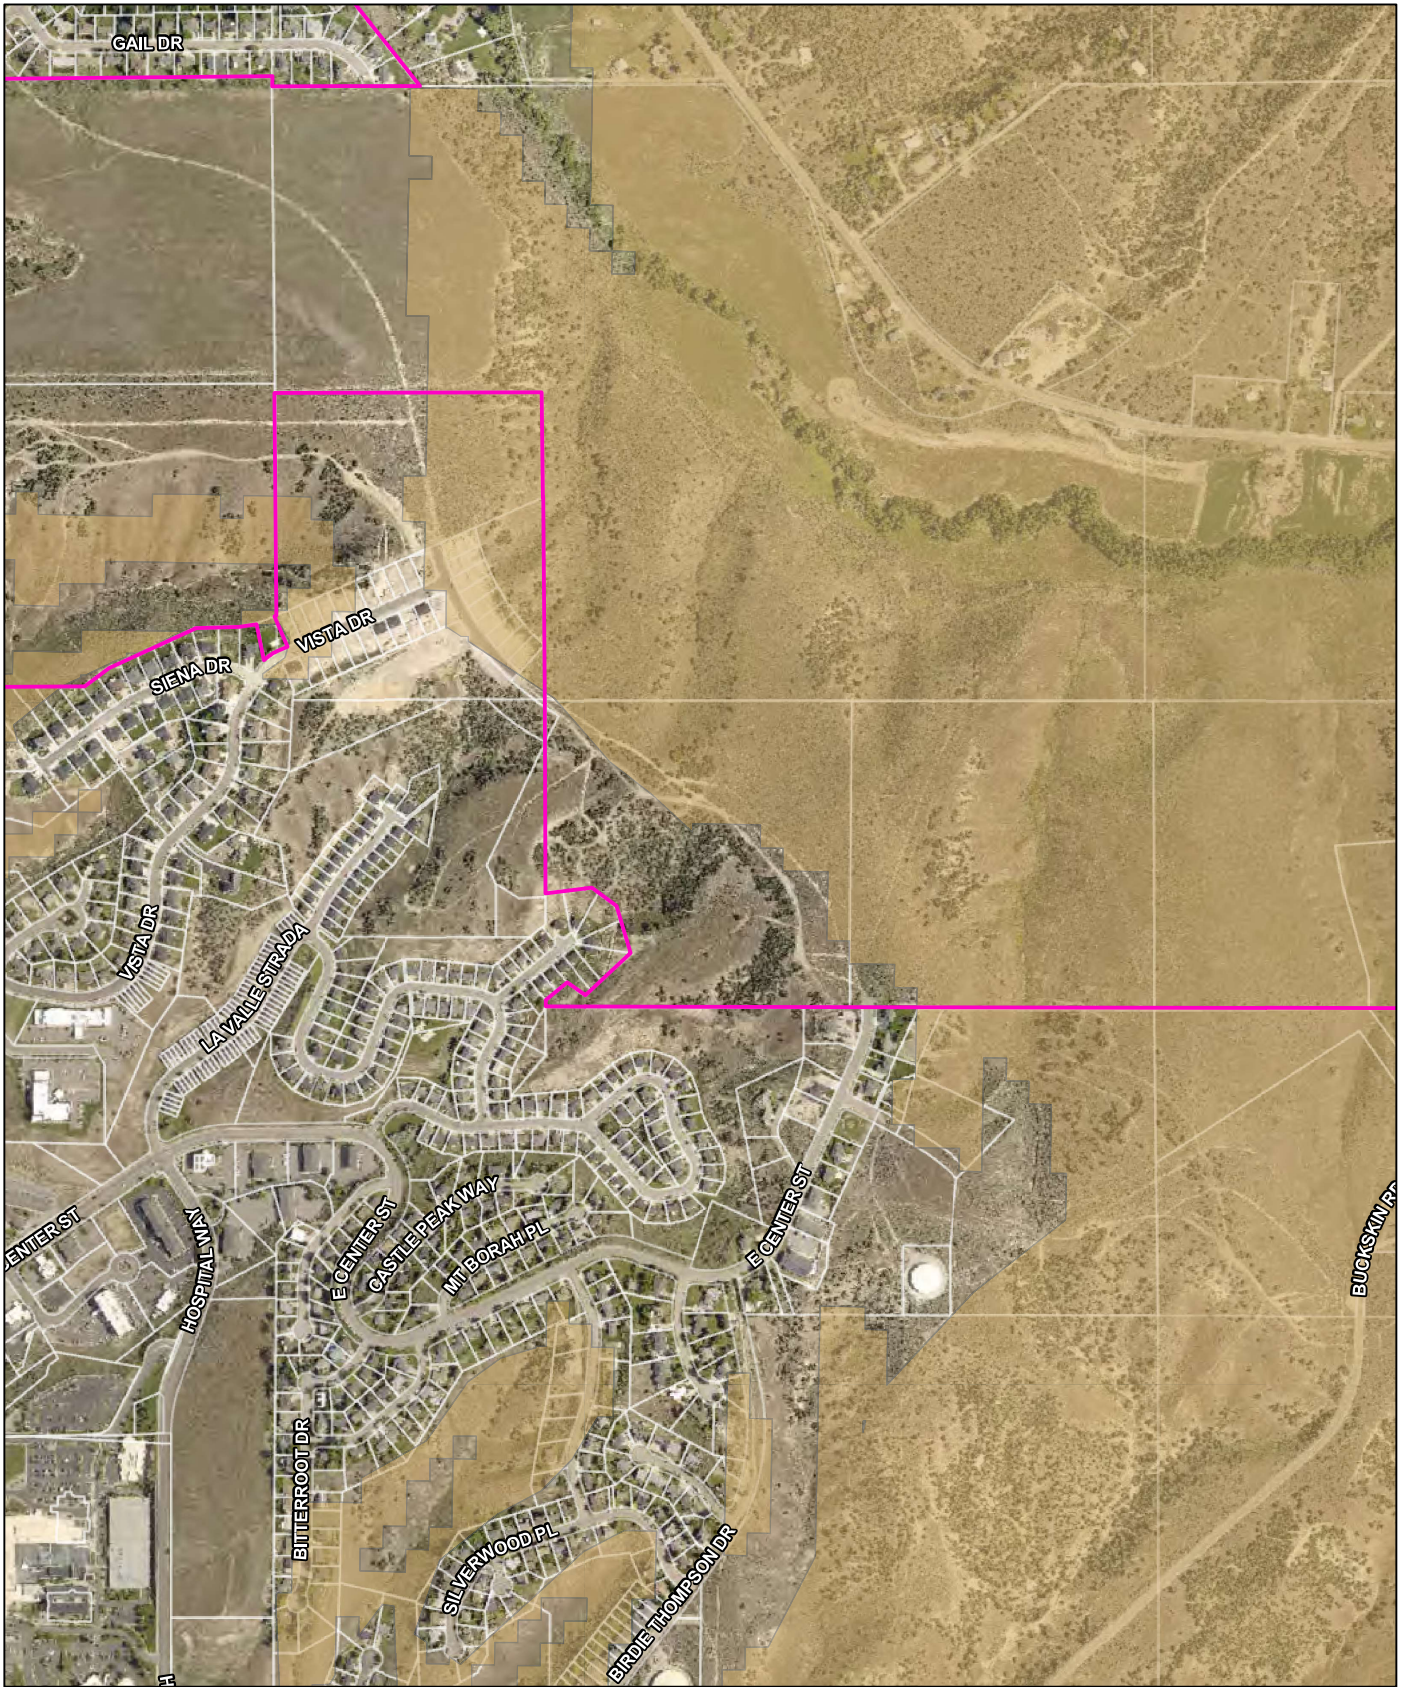

- subdivision area on all vegetation to specifications provided by the Pocatello Fire Department. All Assessments and Evaluations as well as fuels reductions are at the developer's expense.
10. Utility and street light approval is required by the City.
 11. US Mail box units with ADA access required and location approved by the Post Master and the City of Pocatello.

**REGULAR CITY COUNCIL MEETING
AIRPORT GRANT AGREEMENT
EXECUTIVE SUMMARY
AUGUST 7, 2025**

The State of Idaho Transportation Department Division of Aeronautics offers airports an annual grant entitlement, based on available funds, to assist in completing FAA Airport Improvement Program (AIP) projects. The current grant offer is for \$450,000, which will be used as match for the federal AIP grants funds. The projects to be completed are construction of a new taxiway, parking pavement maintenance, purchase of a new airport rescue firefighting (ARFF) vehicle, and rehab of the main runway.

The grant does not require a local match. The State requires a signed grant agreement and resolution.

RESOLUTION NO. 2025-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF POCA TELLO, A MUNICIPAL CORPORATION OF IDAHO, AUTHORIZING AN IDAHO AIRPORT AID PROGRAM GRANT AGREEMENT BETWEEN THE STATE OF IDAHO TRANSPORTATION DEPARTMENT, DIVISION OF AERONAUTICS, AND THE CITY OF POCA TELLO SETTING OUT TERMS AND CONDITIONS FOR THE ACCEPTANCE OF A GRANT IN THE AMOUNT OF UP TO \$450,000 FOR AIRPORT DEVELOPMENT AND IMPROVEMENT; PROVIDING THAT A COPY OF THIS RESOLUTION SHALL BE ATTACHED TO THE SAID AGREEMENT; PROVIDING THAT AN EXECUTED COPY OF THIS AGREEMENT AND RESOLUTION SHALL BE FURNISHED TO THE IDAHO TRANSPORTATION DEPARTMENT.

WHEREAS, the Idaho Transportation Department, Division of Aeronautics, hereinafter called the "State," has submitted a Grant Agreement outlining obligations of the State and the City of Pocatello, hereafter called the "City," for airport development and improvement; and

WHEREAS, the State is responsible for obtaining compliance with laws, standards, and procedural policies in the development, construction, and maintenance of improvements at the Pocatello Regional Airport; and

WHEREAS, certain functions to be performed by the State involve the expenditure of funds as set forth in the Grant Agreement; and

WHEREAS, the State can pay for work associated with the Idaho Airport Aid Program; and

WHEREAS, the City is fully responsible for its share of project costs.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF POCA TELLO AS FOLLOWS:

1. That the City shall accept the Grant Offer of the State of Idaho in the amount of up to \$450,000 for the purpose of obtaining State aid under FS Program Number F25SPIH, Project Number SP-03, in the development of the Pocatello Regional Airport.

2. That the Mayor of the City of Pocatello is hereby authorized and directed to sign the statement of Acceptance of Grant Offer (entitled Acceptance) on behalf of the City. The City Clerk is hereby authorized and directed to attest the signature of the Mayor and to impress the official seal of the City on the aforesaid statement of Acceptance.

3. A true copy of the Grant Agreement referred to herein be attached hereto and made a part thereof.

**REGULAR CITY COUNCIL MEETING
AIRPORT CONSTRUCTION AGREEMENT
EXECUTIVE SUMMARY
AUGUST 7, 2025**

The Council previously approved grant applications for Federal Aviation Administration (FAA) Airport Improvement Program (AIP) and Bipartisan Infrastructure Law (BIL) grants for 2025 airport improvement projects, which include rehab of the main and overflow terminal parking lots. Council may now wish to accept the recommendation of staff to accept the lowest responsive bid from C.R. Contracting, LLC in the amount of \$143,790.85 for the parking lot pavement maintenance and authorize the execution of all necessary documents. There were two bids received, with the other being from Road Products in the amount of \$159,493.70.

The project will be funded with federal AIP and State of Idaho grant funds and budgeted airport PFC funds. The awards and agreements are subject to approval by FAA and award and acceptance of the grant offers.

**REGULAR CITY COUNCIL MEETING
AIRPORT UTILITY EASEMENT
EXECUTIVE SUMMARY
AUGUST 7, 2025**

One of this year's Airport Improvement Program (AIP) projects is constructing a new taxiway to enable hangar development. As part of that project, new power lines will be installed and trenching laid for other necessary utilities. The Airport is seeking approval for a blanket easement for all utilities to grant the utility companies the ability to construct and operate on city property at the airport to service the taxiway and current and future hangars.

PERPETUAL PUBLIC UTILITY EASEMENT

THIS EASEMENT is made this ____ day of _____ 2025, by CITY OF POCA TELLO, a municipal corporation of Idaho, hereinafter referred to as “Grantor”.

WITNESSETH:

WHEREAS, the Grantor is the owner of certain real property, located in Power County, Idaho, commonly known and designated as the Pocatello Regional Airport; and

WHEREAS, the Grantor is undergoing the construction of a new taxilane to promote future hangar development; and

WHEREAS, the construction of a taxilane requires relocation and installation of utilities on Grantor property; and

WHEREAS, the Grantor desires and requests a perpetual public utility easement be granted to any authorized public utility provider on and through said property for and together with the right, privilege, and authority to construct, reconstruct, operate, and maintain the public utilities and appurtenances as necessary, over, under and across the land described herein as required, and deems it to be in the public’s interest; and

WHEREAS, Grantor, has the authority to grant this perpetual easement upon and across the following described parcel of real property, more particularly described on Exhibit “A” and depicted in Exhibit “B.”

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Grantor does hereby grant, bargain, and convey the right to construct, reconstruct, operate, and maintain the public utilities and appurtenances as necessary, over, under and across the land described herein as required on the following described real property situated in Power County, Idaho.

IN WITNESS WHEREOF, this grant of perpetual easement is hereby conveyed by the Grantor and accepted by the Grantee on the day and year first written above.

**REGULAR CITY COUNCIL MEETING
AIRPORT LEASE AMENDMENT
EXECUTIVE SUMMARY
AUGUST 7, 2025**

Council recently approved a new lease agreement with RDM Onsite for a warehouse located at the Airport for storage of business equipment. RDM has partnered with another company, Infinite Hydraulics, and would like to add them as a co-lessee, so an amendment to the lease is needed.

AMENDMENT TO LEASE AGREEMENT

THIS AMENDMENT TO LEASE AGREEMENT is entered into this ____ day of _____, 2025, by and between the CITY OF POCA TELLO, a municipal corporation of Idaho, hereinafter referred to as “LESSOR,” and RDM ONSITE, LLC, a limited liability company of Idaho, herein after referred to as “LESSEE”.

WITNESSETH:

WHEREAS, Lessee and Lessor entered into a Lease Agreement (“Lease”) on June 5, 2025, to lease certain lands at the Pocatello Regional Airport for the purpose of cold storage of items related to their business operations; and

WHEREAS, Lessee has since entered into a partnership for their business and desires to add a co-lessee to their Agreement; and

WHEREAS, Lessee desires the Agreement to be between the City of Pocatello; RDM Onsite, LLC; and Infinite Hydraulics, LLC.

NOW THEREFORE, for and in consideration of the mutual covenants hereinafter contained, the parties agree as follows:

1. The Agreement shall be amended as follows:

LEASE AGREEMENT

THIS AGREEMENT (“Agreement”), made and entered into this ____ day of _____, 2025, by and between the CITY OF POCA TELLO, a municipal corporation of Idaho, hereinafter referred to as "LESSOR", and RDM ONSITE, LLC, a limited liability company of Idaho; and INFINITE HYDRAULICS, LLC, a limited liability company of Idaho; hereinafter and collectively referred to as "LESSEE."

XXIII. NOTICES

All notices under this Agreement shall be deemed to be properly served if sent by certified mail to the last address previously furnished by the parties hereto. Until hereafter changed by written notice, said addresses shall be as follows:

LESSOR: City of Pocatello
Attn: Airport Manager
P.O. Box 4169

EXECUTIVE SUMMARY
MAIN AND ARTHUR PEDESTRIAN CROSSING & FLANDRO DR
IMPROVEMENTS PROJECTS AGREEMENTS/CONTRACTS

To: Mayor Brian Blad and City Council Members
From: Merrill Quayle, Public Works Development Engineer
Mariela Mejia, Project Manager
Date: Meeting Date – August 7, 2025
Re: State/Local Agreement for Main and Arthur Pedestrian Crossing & Flandro Dr. Safety Improvements Projects No. A022(883) & A023(298).

REQUEST

City Council may wish to approve a State/Local Agreement (SLA) for the Main and Arthur Pedestrian Crossing & Flandro Dr. Improvement Projects between the Idaho Transportation Department (ITD) and the City of Pocatello and authorize the Mayor's signature on all applicable documents, subject to Legal Department review. Council may also wish to authorize payment in the amount of \$110,852.00, the required match for the project. The funds are available in Fund 70.

BACKGROUND

The City of Pocatello applied and received \$1,707,608 of grant money from LHTAC for the construction phase of the project key numbers A022(883) and A023(298). The State and Local Service Agreement is necessary to allow LHTAC to obligate the funds and to retain a construction specialist for the projects. \$110,852.00 of the match money is due with the signing of the State/Local Agreement. This money may be considered a deposit to cover the State's expenses and will be used as the City's match for the conclusion of the projects.

Main and Arthur are designated one-way streets with significant vehicular traffic that creates conflicts with pedestrian users. The installation of bulb-outs and curb ramps was part of a Historic Downtown rehabilitation project that improves walkability, and congruently the safety for pedestrian and vehicles. Likewise, it was determined that Flandro Dr needs intersection improvements. Funding for this project was acquired by a Local Highway Safety Improvement program (LHSIP) was divided with Project Development in FY2023 and Construction in FY2026.

Local Highway Technical Advisory Council (LHTAC), acting on behalf of the ITD, sent to the City the SLA to initiate the construction phase. The match requirements for this grant is 7.34% for the programed cost.

STAFF RECOMMENDATION

1. Authorize the Mayor to execute the State/Local Agreement (Construction) with the Idaho Transportation Department for the Main and Arthur Pedestrian Crossing & Flandro Dr. Safety Improvement Projects, key numbers A022(883) & A023(298).
2. Authorize the payment of \$110,852.00 from fund 70 to cover the local match payment.

PROJECT NOS. A022(883) & A023(298)
PEDESTRIAN CROSSINGS & FLANDRO DR SAFETY IMPROVEMENTS
CITY OF POCATELLO
KEY NOS. 22883 & 23298**

PARTIES

THIS AGREEMENT is made and entered into this _____ day of _____, _____, by and between the **IDAHO TRANSPORTATION BOARD** by and through the **IDAHO TRANSPORTATION DEPARTMENT**, hereafter called the State, and **CITY OF POCATELLO**, acting by and through its Mayor and Council, hereafter called the Sponsor.

PURPOSE

The Sponsor has requested federal participation in the costs of Pedestrian Crossings & Flandro Dr Safety Improvements. which has been designated as Project No. A022(883) and A023(298). This Agreement sets out the responsibilities of the parties in the construction and maintenance of the project.

Authority for this Agreement is established by Section 40-317 of the Idaho Code.

The Parties agree as follows:

SECTION I. GENERAL

1. This Agreement is entered into for the purpose of complying with certain provisions of the Federal-Aid Highway Act in obtaining federal participation in the construction of the project.
2. Federal participation in the costs of the project will be governed by the applicable sections of Title 23, U.S. Code (Highways) and rules and regulations prescribed or promulgated by the Federal Highway Administration, including, but not limited to, the requirements of 23 U.S.C. §313.23 and CFR §635.410.

3. Funds owed by the Sponsor shall be remitted to the State through the ITD payment portal at:
<https://apps.itd.idaho.gov/PayITD> .
4. All information, regulatory and warning signs, pavement or other markings, and traffic signals, the cost of which is not provided for in the plans and estimates, must be erected at the sole expense of the Sponsor upon the completion of the project.
5. The location, form and character of all signs, markings and signals installed on the project, initially or in the future, shall be in conformity with the Manual of Uniform Traffic Control Devices as adopted by the State.
6. This State/Local Agreement (Construction) upon its execution by both Parties, supplements the State/Local Agreements (Project Development) by and between the same parties, dated July 12, 2022 for Key No 22883 and October 26, 2022 for Key No 23298.
7. Sufficient Appropriation. It is understood and agreed that the State is a governmental agency, and this Agreement shall in no way be construed so as to bind or obligate the State beyond the term of any particular appropriation of funds by the Federal Government or the State Legislature as may exist from time to time. The State reserves the right to terminate this Agreement if, in its sole judgment, the Federal Government or the legislature of the State of Idaho fails, neglects or refuses to appropriate sufficient funds as may be required for the State to continue payments. Any such termination shall take effect immediately upon notice and be otherwise effective as provided in this Agreement.

SECTION II. That the State shall:

1. Enter into an Agreement with the Federal Highway Administration covering the federal government's pro rata share of construction costs.
2. Advertise, open bids, prepare a contract estimate of cost based on the successful low bid and notify the

Sponsor thereof.

3. Award a contract for construction of the project, based on the successful low bid, if it does not exceed the State's estimate of cost of construction by more than ten (10) percent. If the low bid exceeds the estimate by more than 10%, the bid will be evaluated, and if justified, the contract will be awarded and the Sponsor will be notified.
4. Obtain concurrence of the Sponsor before awarding the contract if the Sponsor's share of the low bid amount exceeds the amount set forth in Section III, Paragraph 1 by more than ten (10) percent.
5. Provide to the Sponsor sufficient copies of the Contract Proposal, Notice to Contractors, and approved construction plans.
6. Designate a resident engineer and other personnel, as the State deems necessary, to supervise and inspect construction of the project in accordance with the plans and specifications in the manner required by applicable state and federal regulations. This engineer, or his authorized representatives, will prepare all monthly and final contract estimates and change orders, and submit all change orders to the Sponsor for their concurrence. If the Sponsor's share of any change order exceeds \$1,000.00, the State will submit a statement to the Sponsor indicating the amount owed by the Sponsor.
7. Appoint the Local Highway Technical Assistance Council as the contract administrator for the State.
8. Notify the Sponsor when construction engineering and inspection (CE&I) costs have reached approximately 85% of the estimated cost for CE&I.
9. Maintain complete accounts of all project funds received and disbursed, which accounting will determine the final project costs.
10. Upon completion of the project, after all costs have been accumulated and the final voucher paid by the Federal Highway Administration, provide a statement to

the Sponsor summarizing the estimated and actual costs, indicating an adjustment for or against the Sponsor. Any excess funds transmitted by the Sponsor and not required for the project will be applied to any outstanding balance the Sponsor may have on a previously completed project. If no such outstanding balance exists, the excess funds will be returned to the Sponsor.

SECTION III. That the Sponsor shall:

1. Pay to the State before the advertisement for bids, the amount of **ONE HUNDRED TEN THOUSAND EIGHT HUNDRED FIFTY-TWO DOLLARS (\$110,852)**, which is the Sponsor's estimated share of the cost for construction plus preliminary engineering, and construction engineering & inspection (CE&I), and after deducting credit for the Sponsor's previous deposit as applies to Preliminary Engineering and the Sponsor's match for the consulting agreement. These costs and the Sponsor's match are detailed in the attached *Worksheet for State/Local Construction Agreements* marked Exhibit A. The actual cost to the Sponsor will be determined from the total quantities obtained by measurement plus the actual cost of engineering and contingencies required to complete the work. Construction engineering, inspection and contingencies will be approximately 21.25% of the total construction cost.
2. Upon approval of the lowest qualified bid received, if the Sponsor's share exceeds the amount set forth in Section III, Paragraph 1, transmit to the State the Sponsor's portion of such excess cost.
3. Authorize the State to administer the project and make any necessary changes and decisions within the general scope of the plans and specifications. Prior approval of the Sponsor will be obtained if it is necessary, during the life of the construction contract, to deviate from the plans and specifications to such a degree that the costs will be increased or the nature of the completed work will be significantly changed.

4. Designate an authorized representative to act on the Sponsor's behalf regarding action on change orders. That authorized representative's name is _____, Phone No. _____.
5. When change orders are submitted by the State for approval pursuant to Section II, Paragraph 6, the Sponsor or its authorized representative shall give approval of same as soon as possible, but no later than ten (10) calendar days after receipt of the change order. If approval is delayed, any claims due to that delay shall be the responsibility of the Sponsor.
6. Upon receipt of any statement referred to in Section II, Paragraphs 6 and 10, indicating an adjustment in cost against the Sponsor, promptly remit to the State a check or warrant in that amount.
7. Maintain the project upon completion to the satisfaction of the State. Such maintenance includes, but is not limited to, preservation of the entire roadway surface, shoulders, roadside cut and fill slopes, drainage structures, and such traffic control devices as are necessary for its safe and efficient utilization. Failure to maintain the project in a satisfactory manner will jeopardize the future allotment of federal-aid highway funds for projects within the Sponsor's jurisdiction.
8. To the extent permitted by Idaho law and as provided by the Idaho Tort Claims Act, indemnify, save harmless the State, regardless of outcome, from the expenses of and against suits, actions, claims or losses of every kind, nature and description, including costs, expenses and attorney fees that may be incurred by reason of any act or omission, neglect or misconduct of the Sponsor or its consultant in the design, construction and maintenance of the work which is the subject of this Agreement, or Sponsor's failure to comply with any state or federal statute, law, regulation or rule. Nothing contained herein shall be deemed to constitute a waiver of the State's sovereign immunity, which immunity is hereby expressly reserved.

EXECUTION

This Agreement is executed for the State by its Division Administrator, and executed for the Sponsor by the Mayor and Council, attested to by the City Clerk, with the imprinted corporate seal of the City of Pocatello.

RE: Donation – Log Splitter

Outdoor Recreation and Zoo Idaho staff have been working with Bob Johnson as a volunteer for the past 18-months. Bob's expertise in maintenance and desire to work with other volunteers has created a great group of patrons that regularly assist at the Zoo and in various locations including the trail system and at the Nordic Center.

Mr. Johnson would like to donate a recently purchased log splitter to the department. The Champion Power log splitter has a value of approximately \$1,735. Mr. Johnson only asks that our Finance Department provide him a letter acknowledging the donation amount for tax purposes.

Parks & Recreation Department staff request the City Council to authorize and accept this donation with thanks to Mr. Johnson for his efforts. Any further maintenance required of this piece of machinery will be absorbed within the existing Recreation budget.

MEMORANDUM

Date: August 7, 2025

To: Mayor Blad and Council Members

From: Anne Butler, Parks & Recreation Director

RE: Connections Credit Union – Riverside Golf Clubhouse Sponsorship

The Parks & Recreation Department has been working for several years to secure an opportunity to rebuild the clubhouse at Riverside Golf Course, which was originally constructed as a barn approximately 80 years ago. It has long outlived its useful life for a commercial building and is now due for replacement. Maintenance needs have continued to increase and modernizing amenities has become important to remain competitive and attract patrons to the golf course.

Connections Credit Union has generously offered to sponsor a portion of the new construction to secure naming rights of the clubhouse for 20 years. The sponsorship also allows Connection CU advertising and marketing opportunities. I believe this is an advantageous opportunity for the City of Pocatello, Connections CU, and golfers in Southeast Idaho.

The Parks & Recreation Advisory Board heard this request at their August 7, 2025 meeting and recommended approval of this opportunity. The sponsorship also has the support of the Golf Advisory Committee and our concessionaire, Fore Golf.

Connections CU is offering a total of \$700,000, which would constitute roughly one-third of the total project, if approved. Approximately \$1.5 million is currently allocated to the Golf CIP fund to support the remaining two-thirds of the project.

Therefore, Council may wish to accept the recommendation of Parks & Recreation Department staff, approve this this sponsorship opportunity, and authorize Mayor Blad to sign and execute the paperwork necessary to effectuate the agreement.

DONATION AND SPONSORSHIP AGREEMENT

THIS AGREEMENT, hereinafter referred to as “Agreement,” made and entered into this _____ day of _____, 2025, by and between the CITY OF POCATELLO, a municipal corporation of Idaho, hereinafter referred to as “City”, and CONNECTIONS CREDIT UNION, a financial institution of Idaho, hereinafter referred to as “Donor”:

WITNESSETH:

WHEREAS, City is the owner of certain property known as the Riverside Golf Course, located at 3500 Bannock Highway, Pocatello, Idaho; and

WHEREAS, the clubhouse at Riverside Golf Course is deteriorating and in need of replacement; and

WHEREAS, at the November 14, 2024 Work Session, the Parks and Recreation Department presented information regarding construction of a new clubhouse at Riverside Golf Course and advocated for replacement as the existing clubhouse, originally constructed as a barn, is approximately 80 years old; and

WHEREAS, Donor is a long-standing and well-regarded community credit union serving members in and around the Pocatello community; and

WHEREAS, Donor desires to donate funds to City to aid in the construction of a new clubhouse to promote community recreation opportunities, economic growth, and community events; and

WHEREAS, in return for provision of financial resources by Donor, City shall provide high visibility exposure, marketing, and recognition opportunities, and other sponsorship benefits as outlined below.

NOW THEREFORE, for and in consideration of the mutual covenants hereinafter contained, the parties agree as follows:

I. PREMISES

Riverside Golf Course clubhouse, located at 3500 Bannock Highway, Pocatello, Idaho (hereinafter referred to as “Premises”).

II. PAYMENT

Donor shall donate seven hundred thousand dollars (\$700,000) to City to aid in the remodel and construction of the aforementioned Premises. Donation shall be received no later than September 1, 2025. If, for any reason, City does not commence with remodel and construction of Premises by April 1, 2026, said donation shall be returned to Donor.

III. TERM

The term of this Agreement shall commence on August 7, 2025 and, following the completion of construction and the opening of the Premises to the community, will continue for a duration of twenty (20) years. Donor shall reserve the first option of agreement renewal at the end of the Agreement term, pursuant to the terms and conditions outlined in Section VIII of this Agreement.

IV. CITY RESPONSIBILITIES

A. City shall grant to Donor exclusive naming rights for the Premises. Said name shall be “Connections Credit Union Clubhouse.”

B. City shall grant to Donor a maximum of four (4), non-consecutive days of exclusive use of the Riverside Golf Course and Premises for community and company events. These days shall be coordinated with the Parks and Recreation Director, or their designee, and Golf Concessionaire sixty (60) days prior to the date of the exclusive event. City and/or Golf Concessionaire shall waive course and cart fees for these days. All other expenses including, but not limited to food, beverage, and additional services shall be the responsibility of Donor.

i. One (1) of the aforementioned exclusive days shall be a recurring date on the first Friday of August of each year during the term of this Agreement, and shall be subject to the terms and conditions outlined in Subsection B.

C. City shall provide to Donor eight (8) annual golf passes at no charge.

D. City shall grant to Donor designing and branding rights for the interior of the Premises to be done in coordination with and approval of the Parks and Recreation Director, or their designee.

E. City shall grant to Donor rights and space for interior advertising displays including, but not limited to television screen signage, scoreboards, web signage, social media, and promotional swag. Donor logo shall be printed on all scorecards, hole flags, and shall be present on three quarters (3/4) of the total Golf Concessionaire's carts and, as said carts are replaced, Donor logo shall be placed on all new carts, at the expense of City. Donor logo shall be on two (2) benches per nine holes at Riverside Golf Course for a total of four (4) benches, at the expense of City.

F. City shall grant to Donor rights for an ATM. The specific location for said ATM shall be identified by Donor during the Premises design process. Donor is solely responsible for all cost, maintenance, ownership, replacement, servicing, and liability associated with the ATM.

G. City shall grant to Donor rights for exterior signage, subject to the Conditional Use Permit (CUP) process and determination of the City of Pocatello Planning and Development Department and Pocatello Municipal Code Chapter 17.07. There may be a maximum of three (3) exterior signs including a street sign, clubhouse sign, and reader board sign for either the street or clubhouse. Sign package expenses shall be included in the initial construction costs. City shall be responsible for the general maintenance and care of said signs.

- i. Said street signage shall (1) be a ground sign with visibility from the street, (2) include “Riverside Golf Course, home of Connections Credit Union Clubhouse,” (3) be approximately six feet by eight feet (6’ x 8’) in dimension, (4) include the City of Pocatello logo, (5) include Connections Credit Union logo, and (6) include the Riverside Golf Course logo.
- ii. Said clubhouse signage shall be no larger than six feet by eight feet (6’ x 8’) in dimension, and shall be designed by Donor.

V. DONOR RESPONSIBILITIES

Donor shall be responsible for all costs associated with the replacement, removal, or updating of any signage, plaques, or other branding materials installed pursuant to this Agreement, in the event that Donor undergoes a rebranding, renaming, or any change to its name, logo, or brand identity that affects the appearance or content of such materials. Donor shall coordinate with the Parks and Recreation Director, or their designee, to ensure all revised signage complies with City’s current guidelines and placement standards, as outlined in Section IV Subsection F.

VI. OWNERSHIP

It is hereby understood by both parties that City owns and operates the Premises and all of its associated amenities, both current and future. Furthermore, it is understood by both parties that City and Donor sponsorship, whereby Donor donates financial resources to accomplish construction of the Premises in exchange for mutual benefits and considerations contained herein, shall not warrant any ownership implications or conditions whatsoever for Donor. City shall at all times retain full and unencumbered ownership of the Premises upon its completion.

VII. TAX CONTEMPLATIONS

Donor acknowledges this donation may be tax-deductible, to the extent permitted by law, and agrees to consult with a tax advisor regarding any implications of this donation. City does not make any representations, warranties, or covenants to Donor as to the tax benefits of the donation of the premises.

VIII. AGREEMENT RENEWAL PROVISIONS

1. First Option of Agreement Renewal. Donor shall be provided the first option of renewal at the end of the Agreement term.

2. General Renewal Terms and Conditions. Should there be a desire by both parties to renew the Agreement following the initial term, City and Donor representatives shall renegotiate terms and conditions for a continuation of Donor naming rights for the Premises, as well as other marketing opportunities and other sponsorship benefits, via a revised future agreement that is acceptable to both parties.

3. Renewal Term Length. Length of term for any future donation and sponsorship agreement renewal shall not exceed ten (10) years.

4. Renewal Financial Obligations. Financial obligations for any future donation and sponsorship agreement renewal shall be renegotiated and agreed upon by both parties.

IX. INDEMNIFICATION

Donor shall hold harmless, defend, and indemnify City, its agents, officials, and employees, from any and all claims, actions, causes of action, suits, charges, and judgments whatsoever which may arise out of Donor's actions under this Agreement.

City shall hold Donor, its agents, officials, and employees harmless from any and all claims, actions, causes of action, suits, charges, and judgments whatsoever which may arise out of City's actions under this Agreement.

X. CORPORATE AUTHORITY

Any individual or individuals executing the within document on behalf of any corporation which is a party hereto, hereby acknowledges and represents that they have the power and authority to so bind the corporate authority, and that such authority was conferred by an act of the Board of Directors of such corporate authority, unless the binding of any such corporation is within the power of the person or persons executing this Agreement on such corporation's behalf. In the event that the party or parties executing this Agreement on behalf of any corporate party hereto, do not have authority to so bind the corporation for any cause or reason, then such person or persons shall be personally liable under the terms hereof.

XI. CONSTRUCTION

This Agreement shall be construed pursuant to the laws of the State of Idaho. The parties agree that no construction of this Agreement shall be made in a court of competent jurisdiction against the interests of any party to the Agreement on the basis that the party had primary responsibility for drafting the Agreement.

XII. NO PARTNERSHIP

Nothing in this Agreement shall be construed to create a partnership, joint venture, agency, or employment relationship between City and Donor. Neither party shall have the authority to bind or obligate the other in any manner, and neither party shall represent to any third party that such authority exists. This Agreement reflects a voluntary donation and does not constitute a commercial or collaborative enterprise.

XIII. SEVERABILITY

If any provision or portion of any provision of this Agreement shall be deemed illegal or unenforceable by a court of competent jurisdiction, the unaffected provisions or portions hereof shall remain in full force and effect.

XIV. ENTIRE AGREEMENT

This Agreement constitutes the sole and only agreement between Donor and City. It is agreed by both parties the terms herein provided correctly set forth the obligations of both parties. No prior promises, representations, or agreements, written or oral, shall amend, change or add to any of the expressed provisions herein contained. This Agreement can only be modified or amended in writing upon the mutual agreement of both parties.

XV. NOTICES

All notices under this Agreement shall be deemed to be properly served if sent by certified mail to the last address previously furnished by the parties hereto. Until hereafter changed by written notice, said addresses shall be as follows:

City of Pocatello
ATTN: Parks and Recreation Director
P.O. Box 4169
Pocatello, ID 83205-4169

Connections Credit Union
ATTN: CEO
P.O. Box 4909
Pocatello, ID 83205

Notice shall be complete upon receipt, unless the recipient ignores or refuses to sign for the certified letter, in which event notice shall be deemed to have been completed on the first attempted delivery by the United State Post Office.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their authorized representatives the date and year first above written.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF POCA TELLO, A MUNICIPAL CORPORATION OF IDAHO, APPROVING THE AMENDMENT OF THE FUTURE LAND USE MAP COMPONENT OF THE COMPREHENSIVE PLAN 2040 FOR THE CITY OF POCA TELLO, PURSUANT TO IDAHO CODE § 67-6509(c), AND GRANTING EFFECTIVITY OF THE AMENDMENT.

WHEREAS, Millennial Development Partners, LLC and Smart Town, LLC initiated a request to amend the Future Land Use Map by designating approximately 82.96 acres of land generally located north of Olympus Drive and east of Northgate Parkway, more particularly depicted in Exhibit “A”, as Mixed Use (MU); and

WHEREAS, a Public Hearing was held before the Planning and Zoning Commission on July 9, 2025 to consider said amendment; and

WHEREAS, the Planning and Zoning Commission recommended adoption of certain requested changes to the Future Land Use Map of the current Comprehensive Plan (2040); and

WHEREAS, the proposed Future Land Use Map amendments are in compliance with the laws of the State of Idaho and of the City of Pocatello; and

WHEREAS, the City Council being fully advised and having held a Public Hearing for the request on July 17, 2025, adopted its written Decision on August 7, 2025.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF POCA TELLO AS FOLLOWS:

Section 1: That the official Future Land Use Map as part of the Comprehensive Plan 2040, adopted by the City of Pocatello on July 6, 2023 and on file with the City Clerk, be amended to incorporate the designations as outlined in Exhibit A.

Section 2: That the amendment to the Future Land Use Map be effective upon approval of this Resolution.

RESOLVED this ____ day of August, 2025.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF POCA TELLO, A MUNICIPAL CORPORATION OF IDAHO, AMENDING CHAPTER 2.30 "INVESTMENT AND AUDIT COMMITTEE," OF THE REVISED AND COMPILED ORDINANCES OF THE CITY OF POCA TELLO, 1983; MORE PARTICULARLY BY AMENDING CHAPTER 2.30.020, "MEMBERSHIP, APPOINTMENT AND COMPENSATION," AND CHAPTER 2.30.030, "ORGANIZATION," TO PROVIDE CLARITY, CONTINUITY, AND IMPROVE THE FUNCTION OF THE TITLE; AND PROVIDING THAT THIS ORDINANCE SHALL BE IN FULL FORCE AND EFFECT FROM AND AFTER ITS PASSAGE, APPROVAL, AND PUBLICATION ACCORDING TO LAW.

WHEREAS, City staff initiated a review of Pocatello Municipal Code Chapter 2.30 "Investment and Audit Committee;" and

WHEREAS, City staff identified areas requiring updating to improve the function of the chapter; and

WHEREAS, the City Council has determined that the proposed amendments of Chapter 2.30 "Investment and Audit Committee" are in the best interest of the citizens of the City of Pocatello.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF POCA TELLO AS FOLLOWS:

Section 1: That Chapter 2.30.020 "Membership, Appointment and Compensation" of the Revised and Compiled Ordinances of the City of Pocatello, 1983, shall be amended to read as follows:

2.30.020: MEMBERSHIP, APPOINTMENT AND COMPENSATION:

The committee shall consist of ~~the city treasurer, city accountant~~ two (2) members of the finance department, two (2) members of the city council chosen by the mayor, and one investment professional from the private sector who shall ~~also~~ be appointed by the mayor, with the consent of the city council. Members shall serve without compensation.

Section 2: That Chapter 2.30.030 "Organization" of the Revised and Compiled Ordinances of the City of Pocatello, 1983, shall be amended to read as follows:

2.30.030: ORGANIZATION:

Regular committee meetings shall be held at least quarterly and more often as needed. Special meetings may be held at the request of any two (2) committee members. Three (3) members shall constitute a quorum. ~~The committee shall establish its own rules of procedure; provided however, that written minutes shall be made of meetings held and copies thereof distributed to all members of the city council within one week of the meeting.~~

///

Section 3: That all other provisions of Chapter 2.30 shall remain in full force and effect.

Section 4: That this Ordinance shall be in full force and effect from and after its passage, approval, and publication according to law.

PASSED AND APPROVED this _____ day of _____, 2025.
