President
Bonneville Neighborhood Association

Subject: Renaming of Bonneville Community Park

On behalf of the Bonneville Community Association (BNA), we are requesting a name change of our park located at North 7th and Fremont. There are two parks in Pocatello named "Bonneville", which has caused some confusion at times.

The city will soon be developing the new signage reflecting the new logo and BNA and NeighborWorks are making many new improvements to the park, which will be complete next spring, this would be a perfect time for renaming our park!

Our suggestion is "Purce Park". This name change will honor John and Idaho Purce for all the hard work, time and donations they have given to both the Triangle, City of Pocatello and the State of Idaho. We are in contact with the family members and they are very honored that we want to rename the park! We also have over 50 signatures from residents who feel this is the perfect name! Everyone we have spoken with love the idea.

Please let me know what the next step is.

The city of Pocatello is designing new signage for all parks to align with the new city "Brand". The Bonneville Neighborhood Association and residents at large believe this is the perfect time to rename Bonneville Community Park.

"The Purce Memorial Park"!

John and Idaho Purce dedicated time, money and land to give the community what we enjoy today. By honoring the Purce family and the individuals on the landmark creation committee we maintain the history of the Triangle so future generations can learn what it took to make our community what it is today.
