Re: Housing Plan

REQUEST

Staff is seeking comment on a Request for Proposals for a City of Pocatello Housing Plan.

BACKGROUND

The current housing crisis demands a bold response. Housing Plans often envision a more affordable city for everyone and prioritize individuals and households who face the greatest risk of housing insecurity, displacement, and homelessness. A Housing Plan is needed to reflect evolving needs, priorities, resources, and conditions in the city. It also includes an option to draft a Fair Housing Plan, coordinating with the next the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) program Consolidated Plan for its Program Years. The Planning Department can assist with the effort to do data collection and draft the plan; however, consultant will be the lead on the effort.

Many City departments have an essential role in furthering housing and neighborhood development goals in our community. It requires a network of partners to alleviate housing instability and create sustainable, mixed-use, mixed-income neighborhoods with access to jobs, transit, greenspace, and basic amenities. These multisector efforts should be incorporated into the Housing Plan. This Plan is intended to expand and deepen the City's coordination and collaboration with all stake holders. Together we will foster ongoing partnerships to build a more affordable, resilient, and equitable city for all.
