

ROAD CLOSURES & TRAFFIC REPORTS

Beginning the week of June 3, 2024

➔ STREET OPERATIONS DEPARTMENT

SWEEPING

Street sweepers are currently performing their annual spring clean-up. During this time, crews will sweep each street in the city once. After clean-up is completed, crews will move to their regular summer sweeping schedule.

Regular sweeping schedule:

- Monday: Northend
- Tuesday: East Side
- Wednesday: Fairway
- Thursday: West Side

PATCHING

The Street Operations crew will be patching potholes and curb lines throughout the City in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

➔ WATER DEPARTMENT

WATER LINE INSTALLATION – GARRETT WY, MADISON AVE, COLORADO AVE. & MAPLE ST.

Beginning Thursday, March 21, 2024, for approximately 8 weeks, crews from Water Department will be replacing the water main line on Garrett Way, Madison Avenue, Colorado Avenue, and Maple Street. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during working hours. At the close of each day, access will be restored to all properties.

ANNUAL HYDRANT FLUSHING PROGRAM

Water Department will be conducting their annual hydrant flushing program beginning Monday, May 20, 2024 and will take approximately three weeks to complete. If you see a crew flushing a hydrant on your street, we recommend you avoid running tap water or using the washing machine or dishwasher until flushing is completed. If you see hydrant-flushing crews working, please drive carefully and treat them like any other road construction crew.

➔ WATER POLLUTION CONTROL

SEWER MAINLINE MAINTENANCE

Crews will be jetting and cleaning sewer mainlines throughout the City. Motorists may experience delays or lane closures while crews are performing the work. Please be advised to use caution.
