PATCHING

The Street Operations crew will be actively patching potholes and curb lines throughout the City, the work may result in possible lane closures and delays. Motorists are advised to proceed with caution.

PAVEMENT MARKING

The Traffic Operations Department crew is repainting crosswalks, arrows, and lane markings throughout the City, starting near schools. Intermittent lane closures will be in effect. Drivers should follow traffic control signs, avoid fresh paint, and expect delays during this painting season.

➔ WATER POLLUTION CONTROL

SEWER MAINLINE MAINTENANCE

Starting October 14, 2024, for approximately two weeks or until the project is completed, WPC will replace a manhole on the 1200 block of E. Clark St. between N. 11th & N. 12th Ave. JAG Enterprises will perform the work and will require bypassing the sanitary sewer mainline during the project. This may impact E. Center St. and E. Lander St. as well. Parking will be restricted in the construction zone. Motorists are advised to expect delays as traffic will be limited to one lane or possibly detoured during the project completion.

Additionally, WPC crews will be jetting and cleaning sewer mainlines throughout the City. Motorists may experience delays or lane closures while crews are performing the work. Please be advised to use caution.

➔ IDAHO TRANSPORTATION DEPARTMENT

I-86/I-15 SYSTEM INTERCHANGE PROJECT

Chubbuck Rd. will be closed between Pleasant View Dr. and Fairgrounds Rd. beginning August 10, 2022, until Fall 2024 for construction related to the I-86/I-15 System Interchange project.
